POR PRESIDENT,

DAILY MORNING POST.

WEDNESDAY, MAY 31, 1843. See First Page.

Oregon Territory. We have received from a Committee of gentlemen at Cincinnati, a letter informing us that it has been determined to hold a Convention in that city on the 3d, 4th and lamation of the President, as a pirate or out 5th days of July next, for the purpose of law, you will please state, over my signa- urging upon Congress the necessity of tax ture, that I go down to attack the Mexican king immediate possession of Oregon Teraquadron with the consent and full concurritory, by the Government, and to adopt rence of Col. James Morgan, who is on such measures as may seem most condus

This Oregon question is one that has

all eager for the contest. We go to make by the British on our rights in that quars one desperate struggle to turn the tide of ter, should admonish the government to ill luck that has so long been running attend to it at once, and not to postpone it You shall hear from me again as soon as until a portion of our fairest territory is stolen form us by the same power that has E. W. MOORE. bullied or chisseled us out of so large a Mr.F. PINCKHARD, Editor of Texas Times, slice of the eastern boundary. To Ore-We have not the room, at present, to say gon the eyes of thousands of adventurous as much upon this subject as we could dem men are now turned as a fair field in which sire, or enlarge upon its different bearings. to employ their enterprize, but they are At another time we shall dwell more at reluctant to venture until they know that length upon Houston's conduct. We can the government will extend its arm to pronot close, however, without stailing our best left that the indirect call made by Houston upon foreign Governments, to seize the the subjects of England, who have already vessels of Com. Moore, will not be responded taken possession of a portion of the terried to. Even if they have the power to in- tory. We think that at the next session terfere in a matter of this kind, before any- of Congress this matter will be fully conthing will be done. Com. Moore will either have been himself destroyed by the Mexican squadron, or else will have taken pre clude the possibility of any difficulties the latter and brought it safe into Texan arising as to the right of possession here-

tence, and the commander of the Texan of Missouri, has, with praiseworthy zeal, coal from the Wyoming region, and boats wind, a prey to fortune? A party of Mexicans, numbering some induce Congress to take some notice of coal from the Shamokin mines, for the Escape of a Canada Patriot from Botfifteen, were recently attacked by a small the movements of the British in that quare Southern market. From present indicas any Bay.—Mr Louis Bourbon, (son-in law company of Texan spies on the Nueces, ter; but there appeared to be a strange tions, the trade of the Susquehanna will be Canada) who was one of the Canada na. and all were killed. The Texans were ter; but there appeared to be a strange trons, the trade of the Susquenanna win be commanded by Captain Wells. Out of a feeling of rejuctance to meddle with the prosecuted with vigor during the present triots of 1839, and was sent in a exile at ed stealing hosses near Seguin, a few days and grave Senators seemed willing to let The Philadelphia weavers have been since, two were killed, and two or three England appropriate the whole territory arraigned for ricting, and an attack upon Mr Bourbon very properly declines to more wounded, by some Texans who went to her own use, if she would only do so the Sheriff. They plead not guilty,—state the manner of his escape, as it would be sheriff. The report of Capt. Cameron's safe without molesting them in their comforts. They have been bound over till next implicate other persons. He immediates retreat with a portion of the Mier prisoners ble seats. But we hope that at the next term. is still confidently believed in Texas. May session the people will impress upon them

our rights in the territory. The Texan papers contain a list of the The Cincinnati Committee desire that propositions made by Santa Aanna, to the the citizens of Pittsburgh will appoint delpeople of that country. The Houston regates to attend the Convention, at the the bearer of these propositions, first ad- time above stated, and as many take an dressed a note to Santa Anna assuming for interest in this matter, we hope a meeting himself the right of making peace, and that will be called, and a proper number of delbe did it solely for the purpose of attain egates appointed to represent our city in

Dictator says that, unless it is agreed to. The "blue moses" expect that the Cons Tenth, was sold on Thursday, at private sale, for of averaging in a most to stay at home none of the others will be entertained, or vention the day will recommend the necessary and proper means to te used in will lay aside their arms; and it is one ess compelling the whigs to fall into the true sential and positive condition that they real blue anti-masonic track, and to toil and cognise in Mexico her right of property to sweat for the glory of the hold alliance of the territory, and acknowledge the sover-anti masonry and abolitionism. We do not know what means may be recommended, It will be some time, we imagine, before but as the blue no-es still regard their whig brethren as "whippable articles," we suppose they will, as heretofore, be commended to a liberal application of the lash, and that Deacon White and brother Smith Crime in England.—According to a to score the whigs until they pull gently in the traces.

More Relief Notes burnt .- Last Wedbery, &c., have for a long time constantly nesday, fifty thousand dollars more of the relief issues, canselled by the State Treavicious than Spain, and three times more surer, were burnt at the Auditor General's vicious than spain, and three times more office. This is the best way to reform the morning of that day from a canal boat, and plaworse. The aristocracy propose to remit currency. Destroy all the depreciated cod in a store, after having been wet by the rain, of the Democratic Committee, to postpone and subscribed with the proper signatures of the persons edy the evil by a more extensive moral paper, and the vacuum created in the circulated religions education. This may have paper, and the vacuum created in the circulated with the choice of Delegates to a late day, are presenting this same, viz.

For the Taz of the Democratic Committee, to postpone and subscribed with the choice of Delegates to a late day, are presenting this same, viz.

For the Taz of the Democratic Committee, to postpone and subscribed with the choice of Delegates to a late day, are presenting this same, viz. and religious education. This may have some effect, but a starving people will not listen very attentively to moral lectures. The real remedy is to be found in the holders can realize something like the a universal diffusion of the rudiments of lit- mount for which they receive it. Withof political rights, the reduction of the expenace of the government, the taxation of banks sink as th ir charters expire, and
