"Keep the Ball Rolling." The Anti-masons have taken up for Coroner, an old gentleman who has attended a billiard room for many years, in the ca pacity of marker. He will quit rolling the billiard balls, now, we suppose, to roll the ball of Anti-masonry.

Theatre. The bill for to night is good. The new piece of Jo-ko-sot is to be repeated. Miss Cohen, who is fast becoming a fav vorite, also appears in two new dances being her last night but two. The entertainments to commence with the amusing Doors open at 7 o'clock, Performance to comfarce of Raisish the Wind.

New Publications. Berford has received a new nove! from the press of D. Appleton, N. Y., entitled The Fortunes of Hector O'Halloran, and his man Mark Antony O'Toole, by W. H. Maxwell, Author of Stories of Water-

Miscellanies, by T. Babington Macaupassengers. Por strength and lightness of draught, she Parliament. Many of his pieces are well Terms made known at time of sale. known in this country, where they have been extensively published. The present work contains his best productions, and S. FAHNESTOCK & Co.. Successors to J. B. Guthwill doubtless be greatly sought after. It
having complied with the requisitions of the new Auc-

Effects of perpetual day.-Nething made so deep an impression on our senses as the change from alternate day and night, to which we had been nabituated from our infancy, to the continued days light to which we were subjected as soon we crossed the arctic circle. Where the ground is but little trodden, even trifies are interesting; and I do not, therefore, hesitate to describe the feelings with which we regarded this change. The novelty, it must be admitted, was very agreed securifice. Persons wishing to purchase will he sold at very low prices, the most of them at a great sacrifice. Persons wishing to purchase will find it to their advantage to call at No.59 North-west corner of Market and Fourth streets, where the advantage of constant of the people, the understand signed would not should be as fortunate as to be clearly approbation of large majorities of the people, the understands will be advantage of constant.

North-west corner of Market and Fourth streets, where the interest is purchased that no establishment that advertises sesters made that no establishment that no establishment that advertises sesters made that no establishment that baisterous sea, was too great to allow us even to wish for a return of the alternations above alluded to; but the reluctance we felt to leave the deck when the sun was Shining bright upon our sails, and to retire to our cabins to sleep, often deprived us of many hours of necessary rest; and when we returned to the deck to keep our night A NOTE of hand for their boundary. watch, (if it may be so called,) and still this advertisement. Enquire at the office of the Post. found the sun gilding the sky, it seemed us if the day won'd never finish. What therefore, at first, promise to be so gratify iug, soon hreatened to become extreme ly irksome, and would, ind ed, have been s serious inconvenience, had we not followed the example of the feathery tribe. which we daily observed winging their way to roost, with a clock work regularity, and retired to our cabin at the proper hour, where, shutting out the rays of the sun, we obtained that repose which the exsight it will, no doubt, appear to many persons that constant daylight must be a valuable acquisition in every country; but a little reflection will. I think, be sufficient to how that the reverse is really the case, and to satisfy a reflecting mind that will consorted the blessings we desire from the wholesome alternations of labor and rest, which is in a manner forced upon us by the succession of day and ereise of our duties required. At first night. It is impossible, by removing to a high latitude, to witness the difficulty there high latitude, to witness the difficulty there retail terms. is in the regulation of time, the proneness that is felt by the indefarigable and zealous to rivet themselves to their occupations, and by the indolent and procrastinating to postpone their duties, without being truly thankful for that allwise and
