DA. SWAYNE'S SYRUP OF WILD CHERRY. We call the attention of the public to the numerous certificates which have been in circulation in our paper and some others of this city, highly recommending Dr. Swarze's Compound Syrup of Wild Cherry. -- We have seen the original certificates, and have no doubt but they come from truly grateful hearts, expressive of the benefits which they have received from that valuable compound.
We have acquaintances who have frequently used the above medicine, who can speak with confidence of it virites. - Saturday Chronicle.

Pallow Citizens: - With sincerity I would advise yos, one and all, both sick and well, always to have a bottle of Dr. Swayne's Compound Syrup of Wild Cherry in your house-it is invaluable in cases of emergency, meh as Spitting of Blood, Asthma, attacks of violent Coughing, which is often the cause of spitting of blood, Violent Nervous Affections, which occasionally come from fright, and various other causes, producing great alarm, sudden colds from improper exposure, which are often let run to an alarming extent, for want of means being ready at hand;—and as I have used Dr. SWAYNE's Compound Syrup of Wild Cherry repeatedly in my family, and always with marked success-I can recommend it with confidence, as being one of the best family medicines which has ever been offered to the public. - Saturday Chronicle.
