The superiority of these Bedsteads, consist in the fast. enlags, which for durability abd case in putting up and taking down ir not equilated by any other now in use -and to all such as would consult their own comfort in their nightly sugadure, it should be remembered that all classes of the bug family are fastened on by these fastenings.

thrusting his hands into his breeches pockts; "everybody should do as I do. Come, I'll let you into my secret. Always buy the best of everything. It's the chespest in the ond."

• • • •

•

Fitzcræsus is right; but then the poor ate not 'everybody.' The poor, while they want to save, must buy the worst of everything-the dearest in the end .---Their slenderness of means ever prevents them from securing a bargain. The pri-

And the poor mechanic, who has say

additional expense inal your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this aw full sacrifice of human life. They do not charge more the other boots to buy his of country-made shoes, and his sieve like gos than other hoats; their accommodations in other respects samer. He had not half enough money to than other hoats; their acrommodarious in other respect outer. All the states are equal, and in many cases superior; and as there is purchase the cheapest. He bids as little. any risk, when it is to com release in your own power as he may for the dearest in the end; which end very soon arrives-next Sunday.

> The food which nourishes him not, the raiment which wears, and washes away with ruinous rapidity, the poor man must be contented to pay double, in virtue of the excess of his poverty. He knows his ill, fate, in this respect, but may not control it. Cheapness he esteems to be the peculiar, the enviable privilege of the rich. But such as his purchases are, are they made at the lowest prices, nominally,-on what is called 'advantageous terms?' Sellom. The little shopkesper with whom he deals is obliged to get credit, and obliged to give it. The poor customer probably never possessed, in all his days, an much as a single week's wages in advance of the world's claims upon bim. That scanty pittance, the receipt whereof gladdens his inmest soul on a Seturday, is not his capital, but income. It is not often to be spent at his will, here or there; but to be paid in quarters where it is slready due. He must repair to the same familiar shop, rub off the regular score, and be, as usuel. re-supplied. He may see in another window cheese more eligible, or a preferrable style of pork; but his dealings are circumscribed-his little ready cash is bepoke. As the grand world boasts but choose his mart even for dear bargains. Are there no other drains, peculiar to the nature of Poverty, upon his slender resources? Several. But we shall exhibit nough, when we show the tendency to

The facility of procuring meals at any hour, and of get. The facility of procuring meals at any hour, and of get. Ing that which the appetite craves, is also a saver of time which the business portion of the guests know how the spireciate.
