Sino Sino, January 21, 1843.

Doctor Benjamin Brandreth—Honored Sir: Owing you a debt of gratitude that money cannot pay. I am induced to make a public acknowledgement of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and and at Eastern prices. swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore.— She could get no rest at night the pain was so great.— Our first Doctor attended her for six months, and she received no beneat whatever, the rain growing worse, and the sore larger all the while. He said if it was heal ed up it would be her death, but he appeared to be at a

two months from the time she first commenced the use of your invaluable Pills, her ankle was quite sound, and her leatth better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public arrange test of the cure, considering it only an act of justice to you and the public arrange test of the cure, with much grained.

We are, with much grained.

We are, with much gra itude,
