> FASHIONABLE BOOT MAKING. PERRY takes this method of informing the public in general that he continues to carry on the shove business in the Monorganela House Buildings No 1 Water street, where, with sariet personal attention he hopes to please all who will favor him with their par tronage. From his tong experience in the business, he flatters himself that his work cannot be excelled in heat ness and durability, at least west of the Mountains; ha it is useless to boast—a fair trial is the best evidence. To suit the times he manufactures Boots at various prices; from as low as five dellers up to his best quality which he affords at seven dollars per pair. ap 20.3
