DAILY MORNING POST.

JUNE 26, 1843.

JAMES FINDLAY, ESQ.—On Saturday last the remains of this lamented gentleman were consigned to the tomb, in presence of an immense concourse of his fellow-citizens. It rarely falls to our lot to record the death of one so universally beloved by all within the range of his acquaintance,—His equanimity of temper; his urbane and gentlemanly deportment; his benevolence and his kindness, won all hearts; no one, during his illness, spoke of him without manifest concern, and the news of his demise called forth, throughout the city, marked expressions of sorrow and regret.

Mr Findlay has always been distinguished for his devotion to republican principles, and was regarded by the democratic portion of his fellow citizens, as one of the most firm and efficient supporters of their cause.

In every situation, Mr Findlay faithfully and honorably discharged the duties devolved upon him, and we sincerely hope that it may be long before we have to record the death of so valuable and useful a citizen.

Theatre—Flynn's Benefit.—We sincerely trust that this night may prove a rich one for the play house. It is sufficient that the jovial, mirth-exciting, gentlemanly TOM FLYNN takes his Benefit this evening. His bill is the very best of the season.—Let every person attend; and each man be careful to have two ladies with him.

MAGAZINES FOR JULY.—*Graham's Magazine* is received at Berford's. The Engravings are, 'Coming to get Married,' and 'The Mother.' There is a likeness of a boquet, too, so successfully done, that it seems to emit a delightful fragrance.

The principal features of the number are a biography of *John Paul Jones*, by J. F. Cooper—a Tale by Jos. R. Chandler, and a story explanatory of the first engraving.

The June No. of *Godey's Lady's Book* has also been received at the same place,—It has two fine engravings, and a fashion plate. It contains a number of excellent articles, and equals in all respects the best of its competitors.

Western University.—The examination of the Students in this excellent seminary of learning commences to-day. See advertisement in another column.

☞That very superior and successful teacher of penmanship, Mr. J. J. Estee, has returned to the city, and is giving instructions to a large number of pupils.—He is perfect in his profession and deserves the extensive patronage he receives.

REPEAL.—The New York Sun says the Repealers of New York sent over £500 sterling, and the Repealers of Philadelphia £400, by the steamer which left Boston on Friday.

MURDERED.—H. K. Manuel, of Claiborne, Louisiana, was murdered some time since by one his laborers named Bush.—The assassin, during the night, entered the room where Mr. Manuel was in bed with his wife, killed him in his sleep with a blow of an axe, and then escaped.

NEW CATHOLIC COLLEGE.—The ceremony of laying the corner stone of the new Roman Catholic College of the Holy Cross, at Worcester, Mass., will take place on Wednesday. The Boston Daily Advertiser understands that a ample funds are on hand to complete the undertaking.

FATAL ACCIDENT.—Elmira Ketchum, aged 19 years, daughter of Joel Ketchum, of South Danville, Livingston co., New York, was killed a few days ago by a well-pole breaking and striking her on the head.

ARRESTS.—George Duggan, *alias* Thomas Perry, and Samuel McCauley, have been arrested in New Orleans, on the charge of murdering Major Floyd, in St. Louis, last summer.

The crop of Indian corn grown last year in the United States is estimated by Mr Ellsworth, Commissioner of Patents, at a fraction less than 442,000 bushels.

The commission store of Mr Swan, situated near the rail road depot, at Hancock, Md., was entirely consumed by fire on Thursday night last. Loss about $2500.

Colonel Maynard, of Seneca Falls, one of the sides of General Warren, was at the celebration at Boston.

A Portland paper relates that a man living in that city, during a moment of anger, declared that he would not speak to his wife for eight years, and kept his word. This, we are assured, is a fact.

When we are alone, we have our thoughts to watch; in our families our temper, and in society our tongues.

☞The National Intelligencer of Saturday announces the death of Mr Barker Burnell, late member of Congress from Massachusetts. He died in Washington city, where he has been detained by sickness since the adjournment of Congress. He was a worthy citizen and a faithful representative.

TO DR BRANDRETH'S AGENTS:

The office in Pittsburgh which was established for the purpose of constituting agents in the west, having accomplished that object, is now closed, and Mr. G. H. All Dr. Brandreths agents will therefore understand, that Dr. B. will send a travelling agent through the country once a year to collect moneys for sales made and re-supply agents. The said traveller will be provided with a power of attorney, duly proved before the Clerk of the city and county of New York, together with all necessary vouchers and papers.

Mr. J. J. Yoe, is my travelling agent now in Pennsylvania. B. BRANDETH, M. D.

THE TRUE WAY TO RECOVER HEALTH.

☞ An individual only wishes to know the right way to pursue it; and therefore none, were it surely made known how LIFE might be prolonged and HEALTH recovered, who would not adopt the plan. Evidence is required that the right way is discovered. This is what those suffering from sickness want to be satisfied about. For who is so foolish as not to enjoy all the health his body is capable of? Who is there that would not live when his experience can so much benefit himself and family? It is a melancholy fact that a very large proportion of the most useful members of society die between the ages of thirty and forty. How many widows and helpless orphans have been the consequence of man kind not having in their own power the means of restoring health when lost.

Now all these dangers and difficulties can be prevented and the long and certain sickness, and by assisting Nature, in the outset, with a good dose of Brandreth's Pills. This is a fact, well understood to be so by thousands of our citizens. This medicine, if taken so as to purge freely, will surely cure any curable disease. There is no form or kind of sickness that it does not exert a curative influence upon. Thus, by their power in resisting putrefaction, they cure measles small pox, worms and all contageous fevers. There is not a medicine in the world so able to purify the mass of blood and restore it to healthy condition, as the Brandreth Pills.

The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them if medicine is required, and only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them in all the critical periods of their lives. The Brandreth Pills will insure their health, and produce regularity in all the functions of life.

The same may be said of *Brandreth's External Remedy*, as an outward application in all external pains, or swellings, or sores, it greatly assists the cure. When used where the skin is very tender or broken. it should be mixed with one or two pints of water.

A sure Test of Genuine Brandreth Pills.—Examine the box of Pills. Then look at the certificate of agency, whose engraved date must be within the year, which every authorised agent must possess; if the three labels on the box agree with the three labels on the certificate, the Pills are true—if not, they are false.

TO THE PUBLIC.

This is to certify that the subscriber has been for some time afflicted with the Rheumatism very severely, from which he could get no relief, until, being advised to procure some of Dr. Pitch's INDIAN VEGETABLE ELIXIR, which he accordingly did, and from which after a few doses, he was entirely relieved.

Columbia, April 6, 1752. SAM'L PEARSE.

Near Rice Creek Springs,
Richland District S. C., April 30, 1838.

I certify, that my son, Thomas Mitchell, Jr., aged 15 years, has been troubled for eight years last past with the Rheumatism, and for the last three years has been unable to help himself; his pain was very severe, so that he could not be moved without great agony; his limbs were paralized and drawn up, and he presented an object hopeless to all who knew him. I resorted to several Physicians for relief for him, without effect. Having heard of Dr. A. Pitch's Indian Vegetable Elixir, I procured the same for my son. On taking it he was much relieved, and by continuing it to the fourth bottle, has entirely removed the pain, his flesh is restored and he is now enjoying good health. I would, in a case of Rheumatism, earnestly recommend it to those who are afflicted with this excruciating pain. THOS. MITCHELL.

W being neighbors and acquaintances of Mr Thomas Mitchell, and having often seen the situation of his son, fully corroborate the above case, and, as we believe has been cured by the Indian Vegetable Elixir.

ON the 28th day of November last, a son of the subscriber named JAMES KELLY, then about 9 years of age, left his house; he was seen a few days after in Sharpsburgh. He has a fair complexion and fair hair and is rather heavily built. On the 30th of the same month, his brother, a boy then aged about ten years, also went away. His name is EDWARD KELLY; he has red hair and dark eyes. It is probable that both the boys may deny their true names and assume others. Any information concerning them will be gratefully received by their afflicted parents. JOHN KELLY,

DR. STARKWETHER'S HEPATIC ELIXIR.

Case of Liver Complaint of 25 years standing.

This may certify that for twenty five years I was afflicted with pain in my side, which was frequently so severe as to entirely incapacitate me from labor. I have been under the care and treatment of various physicians without any permanent benefit. Hearing of the many cures effected by the Hepatic Elixir prepared by Dr. Starkweather, I was induced to give it a trial, and am happy to say that it has entirely removed. *I have felt no symptoms of it for more than a year past.*
