TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, workmen in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease according to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleterious humors, and expels them by the bowels. Tonics in any form are injurious, as they only put off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matter out of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, but harmonize with her.

La I what makes your teeth so unusually white?
Quoth Josh's dulcinia to him t'other night,
To make yours look so, with a grin, replied Josh,
I've brought you a bottle o' Thorns' Tooth Wash,
'Tis the best now in use, so the gentle folks say,
And since they have tried this, cast all others away,
But to prove it the best, to make the teeth shine,
Look again, my dear Sal, at the lustre of mine,
Then try it is great tooth wash,
The Teaberry tooth wash,
And see if this Tooth Wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant Tooth Washes now in use.

Pittsburgh Sep. 15, 1842 DAVID HUNT, Dentist.

I take pleasure in stating, having made use of Dr. Thorn's "Tea Berry Tooth Wash," that it is one of the best dentifrices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable. J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentifrice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

INTERESTING CURE *performed by Dr. Swayne's Compound Syrup of Prunus Virginiana, or Wild Cherry.* Having made use of this invaluable Syrup in my family, which entirely cured my child. The symptoms were wheezing and choking of phlegm, difficulty of breathing, attended with constant cough, spasms, convulsions, &c. of which I had given up all hopes of its recovery until I was advised to make trial of this invaluable medicine. After seeing the effects it had upon my child, and concluding to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any person wishing to see me can ea at my house in Beach Street, above the Market, Kensington. J. WILCOX.

DR. SWAYNE'S SYRUP OF WILD CHERRY.

We call the attention of the public to the numerous certificates which have been in circulation in our paper and some others of this city, highly recommending Dr. SWAYNE'S Compound Syrup of Wild Cherry.—We have seen the original certificates, and have no doubt but they come from truly grateful hearts, expressive of the benefits which they have received from that valuable compound. We have acquaintances who have frequently used the above medicine, who can speak with confidence of its virtues.—*Saturday Chronicle.*

FELLOW CITIZENS:—With sincerity I would advise you, one and all, both sick and well, always to have a bottle of Dr. SWAYNE'S Compound Syrup of Wild Cherry in your house—it is invaluable in cases of emergency, such as Spitting of Blood, Asthma, attacks of violent Coughing, which is often the cause of spitting of blood, Violent Nervous Affections, which occasionally come from fright, and various other causes, producing great alarm, sudden colds from improper exposure, which are often let run to an alarming extent, for want of means being ready at hand;—and as I have used Dr. SWAYNE'S Compound Syrup of Wild Cherry repeatedly in my family, and always with marked success—I can recommend it with confidence, as being one of the best family medicines which has ever been offered to the public.—*Saturday Chronicle.*

J. DENNING—On Friday, the 30th of last month, about 9 o'clock at night, the Planing, Grooving and Sash Manufactory, owned by Gay, Dilworth & Co, with a large quantity of dressed and undressed lumber, was all consumed by fire.

The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot—I am pleased to inform you it was opened at the close of the fire, and all the books, papers, &c. saved;—this is the best recommendation I can give of the utility of your safes.

10,000 *TRIALS*, and all successful prove *DALLEY'S MAGICAL PAIN EXTRACTOR* inestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. ($10 has been offered six months to any person returning an empty box, and saying that all agony on anointing is not extracted by a few minutes, yet not one from thousands of trials since has claimed the bonus.) Parents anxious to guard against generous injuries, and save time, fortune and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellutary organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, and one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts its rapid soothing effects are also important; even sore eyes, all inflamations and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chafe, etc., will find it indispensable. One using only will forever establish it the sovereign *HEAL ALL* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

Headache! Headache!

Dr. BRODIE'S ANTI DYSPEPTIC PILLS, are now known to thousands as a most extraordinary remedy for this affliction as well as the inconvertible fact of their curing DYSPEPSIA. Will those suffering only ask among their friends if they have not known of the *positive effects* of said Pills, and if they do not hear them more warmly praised (and deservedly too) than any other, then let them not buy them. In these few remarks, all fancy or imagination is excluded, and nothing will be said of their merits at any time but what can be fairly proved by respectable members of our community.

Read the following certificate given by a respectable citizen of Allegheny city, and attested by none of the judges of the Court of Common Pleas of Allegheny co.

ALLEGHENY CITY, January 9, 1843.

DR. BRODIE.

Dear Sir—I have for a number of years past been afflicted with a severe and almost constant Headache, arising from derangement of stomach and bowels and although I have taken nearly every kind of Medicine recommended for its cure, have never derived any material benefit until I used some of your truly valuable Anti Dyspeptic Pills. I have not taken quite two boxes and consider myself perfectly relieved from that distressing complaint. I have no hesitation in recommending your Pills as the best medicine I have ever used.

Yours, Respectfully,

☞TO INVALIDS.☜

☞How important it is that you commence without loss of time with BRANDRETH'S PILLS. They mildly but surely remove all impurities from the blood, and no case of sickness can affect the human frame, that these celebrated Pills do not relieve as much as medicine can do. Colds and coughs are more benefited by the Brandreth Pills than by lozenges and canaries. Very well, perhaps, as palliatives, but worth nothing as eradicators of diseases from the human system. The BRANDRETH PILLS cure, they do not merely relieve, they cure diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all sufficient Pills.

CURE OF A CANCEROUS SORE.

SING SING, January 21, 1842.

Doctor Benjamin Brandreth—Honored Sir: Owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgemint of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore.—She could get no rest at night the pain was so great.—Our first Doctor attended her for six months, and she received no benefit whatever, the pain growing worse, and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week, to the astonishment of ourselves and every one who knew of the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and, sir, after six weeks' use she was able to go through the house, and again attend to the management of her family, which she had not done for nearly 14 months. In a little over two months from the time she first commenced the use of your invaluable Pills, her ankle was quite sound, and got better than it had been in quite a number of years before. Gratitude to you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gra itude,
Very respectfully,
TIMOTHY & ELIZA A. LITTLE

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off, and the bone scraped.—Thank a kind Providence, this made us resort to your pills, which saved us from all further misery, and for which we hope I be thankful. T. & E. L.

CERTIFICATES.—Letter from the Hon. Abb'm M'Clellan, Sullivan County, East Tennessee, Member of Congress.

WASHINGTON, July 3d. 1838.

Sir.—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send him some, which I did, and he has employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blutsville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,

INDIVIDUAL ENTERPRISE.

UNITED STATES
PORTABLE BOAT LINE.

For the Transportation of Merchandize and Produce Between

PITTSBURGH AND PHILADELPHIA AND PITTSBURGH AND BALTIMORE,

NEW YORK AND BOSTON.

DEVINE & M'CANULTY respectfully inform the public that they have completed their arrangements for the above Line on

INDIVIDUAL AND INDEPENDENT PRINCIPLES.

The public has long wished for Individual competition in Transportation on the Public Works, by which alone it can be freed from unnecessary expenses and reduced to its lowest rates; that wish will now be realized; the State of Pennsylvania having placed Trucks on her Rail Roads. Individuals owning Portable Boats are enabled to bid for the Carrying Trade and successfully to compete with companies.

This line is composed of Twenty new, Four Section Portable Boats, owned by the Captains who command them and well known as enterprising, industrious and experienced Boatmen.

The superiority and advantages of the Portable Boat over every other mode of Transportation, are too well known to shippers generally, to require comment; suffice it to say, that the *detention, loss, separation and damage to Goods*, invariably attending *three Transhipments* between Pittsburgh and Philadelphia are by the Portable Boat most effectually *removed*.

The Portable Boat possesses the great advantage too of being well *ventilated* and *cool* in *Summer*; which prevents *Flour from souring*, and Bacon and Tobacco from sweating.

Devine & McAnulty, standing as they do, between the owners of goods and the Boatmen who carry them, and equally interested in protecting the interests of *both*, will make no promises to the public they will not faithfully perform.

They are now prepared to receive and forward Produce to Philadelphia, Baltimore, New York, and Boston in the shortest time, and pledge themselves to enter into no combination with other Lines, but always stand ready to carry out the principles of their Line, and contract for freight on the very lowest terms.

☞To give undoubted security to owners and shippers of goods an open policy of Insurance has been effected, by which all merchandize shipped by this Line will be Insured without any additional expense to the owner.

Devine & McAnulty will receive all produce consigned to them at Pittsburgh, pay freight and charges to Steam Boats and forward the same without delay to Philadelphia, Baltimore, New York, and Boston without any charge for advancing or commission.

Dr. SWAYNE—Dear Sir—Permit me to take the liberty of writing to you at this time to express my approbation and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choaking of Phlegm, Asthmatic attacks, &c. &c. I should not have written this letter, however, at present although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an only child, whose case was almost hopeless, in a family of my acquaintance. All thank Heaven, said the bereaving mother, my child is saved from the jaws of death! O how I feared the relentless ravager But my child is safe! is safe!!
