MAAC MARRIS, REV. JAMES M. DAVIS, TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE. -This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, work. men in feather stores, stone cutters, bakers, white lead hasfacturers, are all more or less subject to disease acsording to the strength of their constitution. The only method to prevent disease, is the occasional use of a nedicine which abstracts from the circulation all deleterious humors, and expels them by the bowels. Tonics in any form are injurious, as they only gut off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matter out of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, but harmonize with her. Sold at Dr. Brandreth's Office, in the Diamond, PRIShingn. Price 25 cents per box, with full directions.
