PRODUCE OF ACCENTANT ON TEND TO PRODUCE OR AGGRAVATE DISEASE. This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, workmen la feather stores, stone cuiters, bakers, white lead manufacturers, are all more or less subject to disease ac-bording to the strength of their constitution. The only busthod to prevent disease, is the occasional use of a cine which abstracts from the circulation att delete zious humors, and expels them by the howels. Tonics in any form are injurious, as they only out off the evil day to make it more fatal. The use of Brandreth's Pilis will insure health, because they take all impure matter aut of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed

CURE OF A CANCEROUS SORE.

Bina Sino, January 21, 1843. Doctor Benjamin Brandreth-Houored Sir: Owing to ou a debt of gratitude that money cannot pay, lam induced to make a public acknowledgement of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became starmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore—
She rould get no rest at night the pain was so great.—
