THE INDEBTED STATES The following interesting article, which we take from the Albany Argue, will show the immense resources of the indebted states, and their ultimate ability to redeem themselves from the difficulties into which reckless and improvident legislation has plunged them :-

THE WEALTH OF THE WEST. Wheat and all other agricultural products have advanced remarkably during the last four weeks. They would now pay a handsome profit to the prodacer. The rise has been at least 20 cts per bush-ef en wheat, and 10 cts. on corn, in every State in

: Faw are fully aware what a mighty volume of wealth this will roll in upon the Western States, didates for Canal Commissioners, by the It will nearly double their resources in buying State Convention that is to assemble on the goods or in paying debts. not here be out of place. in 1842 raised 25,387,439 bushels of wheat. It is which the people are deeply interested, supposed to be a fair estimate that half of that crep has been sold out of the State, or consumed and we hope that every county will take at home, and that the remaining half was held by means to be represented in the Convention, the merchants, millers and farmers of that State, at

the time of the present rise in prices. It will apmar then that the citizens of Ohio have 12,000, sion of public sentiment from every quar 000 of bushels on which to realize 20 cents of clear profit. This amounts to a clear only of \$2. clear profit. This amounts to a clear gain of \$2,-400,000 on wheat only. Now let us take Indian estp. Ohio raised in 1842, 39 424,221 bushels.— been entirely too careless in regard to our Ranay be solely estimated that two thirds of this els to realize on, at present prices; and this gain

consumption and previous sales, and we have 12. half, and we have 2,894,000 bushels when -the

8,500,000 bushels; the advance of 10 cents gives

To sum up, the gain to Onio on Wheat is 1,300,000 Indiana-Wheat

Corn Michigan-Wheat Making a sum total for these four

We have only taken these States, because they at fair prices would pay every dollar of their in have compelled the corrupt projectors to debtedness. We have made no estimate of the abandon their schemes.
