FACTORY. HE subscriber would respectfully inform the citizens L of Pittsburgh, Allegheny and their vicinities, that he has commenced manufacturing the article of Lard Of and Canales. He intends making but one quality, which will equal the test made in the Union and not surpassed by the best winter strained sperm oil either for machinery or burning, without its offensive properties, and one third cheaper. THE ABOVE IS WARRANTED TO BURN IN ANY TEMPERATURE. The subseriber wishes to impress distinctly on the public mind that it is not necessary to purchase any new fangled lamps that are daily palmed upon them as being requisite to burn the lard oil in. Persons wishing a pure and brilliant light can obtain it by calling at the old stand, 3d street, nearly opposite the Post Office.

The attention of Wholesale dealers, Churchen and thinless respectfully solicited.
