CHOLERA MORBUB AND SUMMER CCMPLAINT. HE undersigned having been afficied during the past winter with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve

hours without intermission; and having tried various medies with little effect, was furnished with a bottle of Dr. D. Jaynes' Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sen sation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain was perceived, and the pain was thereby p evented. We tinued to use the medicine every evening, and sometimes in the morning, and in a few weeks health was s far restored, that the sufferer was relieved from a large amount of oppressive pain. From this experience th fore, he can confidently recommend Dr. D. Jaynes' Carfinative Balsam, as a salutary medicine for diseases he stomach and bowels. REV. A. SHINN.
