IMPORTANT FACTS.

DR. LEIDY'S SARSAPARILLA BLOOD PILLS, are applicable in all cases, whether for *Purgation* or *Purification*. They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsaparilla in their composition, which is not contained in any other pills in existence. They are also different from other pills in composition, being *purely vegetable*, and can be employed at all times, without any danger, and requiring no restraint from occupation or usual course of living.

Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performed by them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal in their effect; and persons using them for whatever sickness or disease, may rest assured they will be found more efficacious than any other pills in existence.

From the known reputation of Dr Leidy's Blood Pills, 'tis deemed necessary to remind the public where they may at all times procure the genuine, as it is attempted to impose other pills called 'Blood Pills' upon the public on the reputation of Dr. Leidy's. Be particular and ask for Dr Leidy's Sarsaparilla Blood Pills, and see that the name of Dr N. B. Leidy is contained on two sides of each box, (the boxes being of paper, and oblong, square shape, surrounded by a yellow and black label.

PRICE—25 cents a Box.

INDIVIDUAL ENTERPRIZE.

UNITED STATES
PORTABLE BOAT LINE.
For the Transportation of Merchandize and Produce Between
PITTSBURGH AND PHILADELPHIA AND PITTSBURGH AND BALTIMORE.
NEW YORK AND BOSTON.

DEVINE & M'CANULTY respectfully inform the public that they have completed their arrangements for the above Line on

INDIVIDUAL AND INDEPENDENT PRINCIPLES.

The public has long wished for Individual competition in Transportation on the Public Works, by which alone it can be freed from unnecessary expenses and reduced to its lowest rates; that wish will now be realized; the State of Pennsylvania having placed Tracks on her Rail Roads. Individuals owning Portable Boats are enabled to bid for the Carrying Trade and successfully to compete with companies.

This line is composed of Twenty new, Four Section Portable Boats, owned by the Captains who command them and well known as enterprising, industrious and experienced Boatmen.

The superiority and advantages of the Portable Boat over every other mode of Transportation, are too well known to shippers generally, to require comment; suffice it to say, that the *detention, loss, separation and damage to Goods*, invariably attending *three Transhipments* between Pittsburgh and Philadelphia are by the Portable Boat most effectually *removed*

The Portable Boat possesses the great advantage too, of being well *ventilated* and *cool* in *Summer*; which prevents *Flour from souring*, and Bacon and Tobacco from sweating.

Devine & McAnulty, standing as they do, between the owners of goods and the Boatmen who carry them, and equally interested in protecting the interests of *both*, will make no promises to the public they will not faithfully perform.

They are now prepared to receive and forward Produce to Philadelphia, Baltimore, New York, and Boston in the shortest time, and pledge themselves to enter into no combination with other Lines, but always stand ready to carry out the principles of their Line, and contract for freight on the very lowest terms.

☞To give undoubted security to owners and shippers of goods an open policy of Insurance has been effected, by which all merchandize shipped by this Line will be insured without any additional expense to the owner.

Devine & McAnulty will receive all produce consigned to them at Pittsburgh, pay freight and charges to Steam Boats and forward the same without delay to Philadelphia, Baltimore, New York, and Boston without any charge for advancing or commission.

Charges will be made as low as those intended to be shipped from Pittsburgh to Philadelphia, Baltimore, New York or Boston, and consigned to James Dickey & Co., Canal Basin, corner of Liberty and Wayne sts. and will be promptly attended to and forwarded with despatch.

All Goods and produce intended to be shipped from Philadelphia coastwise, or via the Delaware and Raritan Canal, and consigned to Hart, Andrew and M'Keever, will be received at their warehouse, first wharf above Race street, Philadelphia, and shipped directly from thence without additional handling or expense, a line of Brown packets connects with the line at this point.

TO FEMALES.—There is a large class of Females in this City who from their confined sitting, to which their occupations oblige them, are affected with costiveness which gives rise to palpitation at the heart on the least exertion, sense of heaviness extending over the whole head, intolerance of light and sound, an inability of fixing the attention to any mental operations; rumbling in the bowels, sometimes a sense of suffocation, especially after meals when any exertion is used, as going quickly up stairs; tempre frickle; these are symptoms which yield at once to a few doses of the Brandreth Pills The occasional use of this medicine would save a deal of trouble and years of suffering. One, or two, or even three of the Brandreth Pills just before dinner, are often found highly beneficial; many use them very advantageously in this way; they aid and assist digestion, restore the bowels to a proper condition, enliven the spirits, impart clearness to the complexion, purify the blood, and promote a general feeling of health and happiness.

☞How important it is that you commence without loss of time with BRANDRETH'S PILLS. CURE OF A CANCEROUS SORE.

SING SING, January 21, 1843.

Doctor Benjamin Brandreth—Honored Sir: Owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgemhut of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore—She could get no rest at night the pain was so great.—Our first Doctor attended her for six months, and she received no benefit whatever, the pain growing worse, and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week, to the astonishment of ourselves and every one who knew of the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and, sir, after six weeks' use she was able to go through the house, and again attend to the management of her family, which she had not done for nearly 14 months. In a little over two months from the time she first commenced the use of your invaluable Pills, her ankle was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gratitude,
Very respectfully,
TIMOTHY & ELIZA A. LITTLE

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off, and the bone scraped.—Thank a kind Providence, this made us resort to your pills, which saved us from all further misery, and for which we hope I be thankful. T. & E. L.

THE TRUE WAY TO RECOVER HEALTH.

☞An individual only wishes to know the right way to pursue it; and there are none, were it actually made known how Life might be prolonged and HEALTH recovered, who would not adopt the plan. Evidence is required that the right way is discovered. This is what those suffering from sickness want to be satisfied about. For who is so foolish as not to enjoy all the health his body is capable of? If so is there that would not live when his experience can so much benefit himself and family? It is a melancholy fact that a very large proportion of the most useful members of society die between the ages of thirty and forty. How many widows and helpless orphans have been the consequence of mankind not having in their own power the means of restoring health when lost.

Now all these dangers and difficulties can be prevented and the long and certain sickness, and by assisting Nature, in the outset, with a good dose of Brandreth's Pills. This is a fact, well understood to be so by thousands of our citizens This medicine, if taken so as to purge freely, will surely cure any curable disease. There is no form or kind of sickness that it does not exert a curative influence upon. Thus, by their power in resisting putrefaction, they cure measles, small pox, worms and all contageous fevers. There is not a medicine in the world so able to purify the mass of blood and restore it to healthy condition, as the Brandreth Pills.

The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them if medicine is required, not only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them in all the critical periods of their lives. The Brandreth Pills will insure their health, and produce regularity in all the functions of life.

The same may be said of *Brandreth's External Remedy*, as an outward application in all external pains, or swellings, or sores, it greatly assists the cure. When used where the skin is very tender or broken. It should be mixed with one or two pints of water.

A sure Test of Genuine Brandreth Pills.—Examine the box of Pills. Then look at the certificate of agency, whose engraved date must be within the year, which every authorized agent must possess; if the three labels on the box agree with the three labels on the certificate, the Pills are true—if not, they are false.

Headache! Headache!

Dr. BRODIE'S ANTI DYSPEPTIC PILLS.

ARE now known to thousands as a most extraordinary remedy for this affliction as well as the inconvertible fact of their curing DYSPEPSIA. Will those suffering only ask among their friends if they have not known of the *positive effects* of said Pills, and if they do not hear them more warmly praised (and deservedly too) than any other, then let them not buy them. In these few remarks, all fancy or imagination is excluded, and nothing will be said of their merits at any time but what can be fairly proved by respectable members of our community.

Read the following certificate given by a respectable citizen of Allegheny city, and attested by one of the judges of the Court of Common Pleas of Allegheny co.

ALLEGHENY CITY, January 9, 1843.

DR. BRODIE,

Dear Sir—I have for a number of years past been afflicted with a severe and almost constant Headache, arising from derangement of stomach and bowels and although I have taken nearly every kind of Medicine recommended for its cure, have never derived any material benefit until I used some of your truly valuable Anti Dyspeptic Pills. I have not taken quite two boxes and consider myself perfectly relieved from that distressing complaint. I have no hesitation in recommending your Pills as the best medicine I have ever used.

Yours, Respectfully,

CERTIFICATES.—Letter from the Hon. Ab'm M'Clellan, Sullivan County, East Tennessee, Member of Congress.

WASHINGTON, July 3d, 1838.

SIR—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send him some, which I did, and he has employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blountville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,
ABRAHAM M'CLELLAN, of Tennessee.

DR. WILLIAM EVANS'S SOOTHING SYRUP.—

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should never be without the syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and thereby effectually preventing Convulsions, Fevers, &c. BARON VON HUTCHELER HERB PILLS.—These Pills are composed of herbs, which exert a specific action upon the heart, give impulse or strength to the arterial system; the blood is quickened and equalized in its circulation through all the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretions of the body are drawn from the blood, there is a consequent increase of every secretion, and a quickened action of the absorbent and exhalent, or discharging vessels. Any morbid action which may have taken place is corrected, all obstructions are removed, the blood is purified, and the body restores as it were its state. PILES cured by the use of Dr. Harlich's Compound Strengthening and German Aperient Pills

Dr. Harlich—Dear Sir—Shortly after I received the Agency from you for the sale of your medicine, I formed an acquaintance with a lady of this place, who was severely afflicted with the Piles. For eight or ten years this lady was subject to frequent painful attacks, and her physician considered her case so complicated, that he very seldom prescribed medicine for her. Through my persuasion, she commenced using your Pills, and was perfectly cured. Yours, &c. JAMES R. KIRBY

AS USUAL.

NO sooner does one of Dr. Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words Dr Leidy's Tetter and Itch Ointment, blown in the glass, besides containing his written signature on a yellow label outside.

Dr Leidy's Tetter and Itch Ointment, has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories, and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objections most persons have, to having their names published in connection with such disagreeable and loathsome affections

In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances.

Price Twenty-five cents a bottle. Prepared and sold at Dr Leidy's Health Emporium. (sign of the Golden Eagle and Serpents,) and by *B. A. FAHNESTOCK & CO.* corner of Wood and Sixth streets, Agents for Pittsburg. july 12

DR. SWAYNE—Dear Sir:—Permit me to take the liberty of writing to you at this time to express my approbation and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing Wheezing, Choaking of Phlegm, Asthmatic attacks, &c &c. I should not have written this letter, however, at present although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I think Heaven," said the doating mother, "my child is saved from the ja
