Swan's Chamomile Pills.
ABRAHAM J. CLEVELAND, residing at 66, Main street, New York, was afflicted with Dyspepsia in its most aggravated form. The symptoms were violent headache, general debility, loss of appetite, impaired appetite, sensation of sticking at the stomach, forced eructation, and other symptoms, which continued towards night and restlessness. These had continued upwards of a twelvemonth, when, on consulting Dr. Wm. Swan's Chamomile Pills, he was cured in the short space of one month, and has since been the most healthy man he ever was. He has since volunteered the above statement. For sale, wholesale and retail, at B. F. SELLERS, below Second street, No. 29, Wood street, below Second.

Better Bargains than ever, at the Three Big Doors.
THE subscriber would respectfully inform his customers and the public generally, that notwithstanding the unprecedented sales at the Three Big Doors, during the present season he has still on hand the largest and most varied assortment of goods, which he has the pleasure to announce to his customers. The public may rest assured that all articles offered at his stores are manufactured from the best materials, and that no establishment that advertises eastern made clothing, can give as good an article or as advantageous bargains as can be had at the Three Big Doors.

THE public will please remember that all the subscribers' garments are made in this city, by competent workmen, and not gathered up like the goods now offered by the "birds of passage" from the streets and patches of eastern shop. It will always be his endeavor to maintain the reputation that the "Three Big Doors" have obtained for furnishing a superior style of CLOTHING in every respect, and at prices below those of any other establishment.

He would again return his thanks to his friends and the public for the unprecedented patronage bestowed upon his establishment, and believing that they have found it to their advantage to deal with him, he would request his invitation to all those who wish to purchase clothing of every description at the lowest price, to call on No. 151, Liberty St. JOHN MCLOSKEY.

Observe Metal Plate in the pavement.
Look at This.
THE attention of those who have been somewhat sceptical in reference to the numerous certificates published in favor of Dr. Swan's Compound Syrup of Wild Cherry, on account of the persons being unknown in this section of the State, is respectfully directed to the following certificate, the writer of which has been a citizen of this borough for several years, and is known as a gentleman of integrity and responsibility.

He used Dr. Swan's Compound Syrup of Wild Cherry for a Cough, which which I have been severely afflicted for about four months, and I have no hesitation in saying that it is the most effective medicine that I have been able to procure. It composes all uneasiness, and agrees with my constitution, and maintains regular and good appetite. I earnestly recommend it to all others similarly afflicted. J. MINICK, Borough of Chambersburg, March 9, 1840.
