In the Court of Common Pleas of Allegheny County, of October Term, 1843. No. 130.

L. S. } IN the matter of the application of Duquesne College for Charter of Incorporation:

And now to wit, Aug 12, 1843: The Constitution of Duquesne College having been presented to, and perused by, the Court, and the Court having carefully examined the said instrument, and it appearing to the Court that the objects, articles and conditions therein set forth and contained, are lawful, and not injurious to the community, do direct the said writing to be filed in the office of the Prothonotary of this Court, and that notice be inserted in the Morning Post, in the city of Pittsburgh, for three weeks, setting forth the application to this Court, to grant such Charter of Incorporation. From the Record.

Attest: A. SUTTON, Pro.

Notice is hereby given, that application has been made to the Court for a Charter for Duquesne College, and that unless cause is shown to the contrary within three weeks, the Court will be asked to grant said Charter. THOMAS HAMILTON,

aug 24–3w Att'y for Petitioners.

DR. McLANE'S LIVER PILLS.

I HEREBY certify that I have known a number of people who have taken Dr. McLane's Liver Pills, and have been much benefitted by them, and I believe them to be the best pills for liver complaints, and for general use, of any pill now before the public.

MICHAEL FORNEY.

I hereby certify that I have been afflicted for 6 years with a liver complaint; and have applied to different physicians, and all to little or no effect, until I made use of Dr. McLane's Pills. In taking two boxes of them I am nearly restored to perfect health.

FOR THE MORNING POST.

Messrs. Editors:—In your paper of yesterday, I observe some person has brought my name before your readers as a suitable person to be supported for the Assembly at the coming election. Whether this be to divert the attention of the convention that is to meet to-morrow, from my desire to be nominated COUNTY TREASURER, I know not, but being probably as well acquainted with my own qualifications as any of my neighbors, I respectfully beg leave to decline. I thought proper some time ago to define my position, by offering myself for the office of County Treasurer, for which I consider myself properly qualified; but for the Legislature I am not.

I am not a public speaker, nor am I versed in the political *manoeuvering and trickery* necessary to make a member popular either at the seat of government or at home (i. e., as the business is now conducted). I am therefore not a candidate for the Legislature.—Should the Convention see proper to nominate me to the office of County Treasurer, they shall have my thanks, and (if elected,) my best services.

JOHN FLEMING.

Allegheny City, August 29, 1843.

FOR THE POST.

COMMISSIONER.

Messrs. Editors—It is conceded by many democrats in various part of the county, that the claims of old democratic Robinson to a candidate on the democratic ticket, should not be overlooked. That sturdy republican District has presented JAMES C. RITCHEY, Esq., as a candidate for Commissioner, by instructing her delegates to support him at the coming convention tomorrow. He is every way deserving, and his success is confidently anticipated. W. M.

FROM CHINA.—By the arrival of the ship Thomas Perkins, Capt. Graves, at New York, from Canton, whence she sailed on the 18th of April, we have received the following intelligence:

The French frigate Erigone and the United States frigate Constellation were at the Bogue. The commanders had gone to Canton to have an interview with the Chinese authorities. The Erigone saluted the English flag at Hong Kong—the Constellation did not. The commander of the Constellation was right, according to the friend of China, salutes not being due until after the official proclamation that the treaty of Nankin had been ratified.

A letter in the Register gives an account of some disorders at Canton on the 12th of April, but they produced no very serious results. The disturbance arose between some "fast boat" men and the keepers of a gaming house. The Chinese soldiers interfered, to the number of about two hundred, but taking part with the gaming house people, they were attacked by the crews of all the "fast boats." One of the boatmen was killed and another fatally wounded.

The people at Whampoa had sent up a deputation to remonstrate against the English being allowed to build factories there. The English have no such intention.
