'Do me the honor, Senor,' said he, 'to partake of a to the assistance of the husband, and relieving him of slight dejeuner a la fourchette in the cabin. We will also hope for the pleasure of your company at dimer. the child, enabled him to give his attention to his wife, whom he laid gently down upon the deck. 'Me hace valastima, senor,' said the officer. 'I am Supper you will probably eat at home.' grieved at the necessity, but you must return with me.' And so saying, he motioned courteously toward the

The American Captain, who had been contempla-ting this scene apparently unmoved, now ejected from face, and read in its decided expression, and the slight his mouth a huge quid of tobacco, replaced it by anoth- smile of intelligence that played upon it, that he must er, and then stepping up to the officer, touched him on not hope either to resist or outwit his polite peremptothe arm, and offered him the pass he had received from ry entertainer. So, making a virtue of necessity, his passengers. The Spaniard waved him back almost

three and unnatural in a man who could not yet have seen more than five and twenty summers. A close obser-ver, however, would have remarked that the muscles of his face were beginning to be agitated by a slight convalsive twitching, when, at that moment, his mate tapped up to him, and whitneend competition. And

convulsive twitching, when, at that moment, his mate stepped up to him, and whispered something. Ap-proaching the Spaniard for the second time, Ready in-vited him to partake of a slight refreshment in his cab-in, a courtesy which is usual for the captains of mer-chant vessels to pay to the visiting officer. The Span-iard accepted and they went below. The steward was busy covering the table with plates of Boston crackers, olives and almonds, and he then anorthe defined a bottle of fine old Madeiru. that looked like

or. Boston crackers, olives and almonds, and he then anoorked a bottle of fine old Madeiru, that looked like liquid gold as it gurgled into the glasses. Capt. Rea-dy seemed quite a different person in the cabin and on the deck. Throwing aside his dry say-little manner, howas good humor and civility personified, as he lay-ished on his groat all these achieves the ball. ished on his guest all those obliging attentions which no panse of ocean.

suce on nis guest all those obliging attentions which no one better knows the use of than a Yankee when he wishes to administer a dose of what he would call 'soft sawder.' Ready soon persuaded the officer of his entire guiltlessness in the unpleasant affair that had just oc ourred; and the Spaniard told him by no means to make himself unpany that he the head here for an and handsome ourred. The younge was prosperous, and in eleven days the vessel reached its destination. The Colombian officer his wife, and children, were received with the utmost kindness and hospitality by the young and handsome ourred; and the Spaniard told him by no means to make ourred; and the Spaniard told him by no means to make himself uneasy; that the pass had been for another per-son, and that the prisoner was a man of great impor-tance, whom he considered himself excessively lucky to have been able to recenture. to have been able to recapture. Most Spaniards like a glass of Madeira, particular- patriots of Southern America with no very favorable

Most Spaniards like a glass of Madeira, particular-ly when olives serve as the whet. The American's wine was first rate, and the officer scened to find him-self particularly comfortable in the cabin. He did not forret, however, to desire that the prisoner's bargage of the Philadelphians, made them look with dislike on forget, however, to desire that the prisoner's bargage might be placed in the boat, and with a courteous apol-ogy for leaving him a moment, Captain Ready hasten-of their trade. At the expiration of the above mentioned time, an

ed to give the necessary orders. When the captain reached the deck, a heart-rending opportunity offered a vessel going to Marguerite, then was seated on one of the hatchways, despair legibly in an incompositions were formed under bonvar against our autonames on, excepting Col.
