Berolant—We learn from the Gazette, that the house of Rev. EDWARD SMITH, in Allegheny, was broken open on Monday night, last, and nearly all the books from his pocket, which hung near his bed.

FEMALE LADY—The following starting facts were elicited at a meeting of the Boston "United benevolent Association of Ladies." It is certainly a deplorable state of affairs, and one which calls for every exertion of the philanthropist to reform, when delicate and helpless women are subjected to the slavery and wretchedness which the following facts exhibit.

A widow lady at South Boston, with two children, worked from half past 6 o'clock in the morning till 12 and at night, and could only make two blue woollen shirts for which she got 12 cents from the employer, whose name was stated. She had not had a pound of meat in the house since she worked for him, and a week ago last Saturday night she was obliged to put her children to bed without food. April 7, she was seized by a young lady that she could only make two flannel shirts with extra work per day, working 16 and 18 hours, for which she got 12 cents per week.

Manufacturers in Illinois.—The editor of the Chicago Democrat states that the cloths now being manufactured at Green's mill, in La Salle county, are equal to any brought from the East and better at the price.

THE SUBSCRIBER having purchased and thoroughly repaired these Mills, is now manufacturing, and will keep constantly on hand, a full supply of all the different kinds of Mills, Spindles and Bells, made from the best quality of Junata Blooms, and at the lowest prices.
