Evans' Chamomile Pills.

A BRAHMAN J. CLERMER, residing at 66, Mott street, New York, was afflicted with Dyspepsia in a most aggravated state. The symptoms were violent, protracted, feverish, fits of vertigo, cough, asthmatic pain in the chest, fits of chills and shivering, impaired appetite, sensation of sinking at the stomach, flushed tongue, nausea with frequent vomiting, dizziness, fits of vertigo and prostration. These and other symptoms were so severe, that on consulting Dr. Wm. Evans, 160 Clinton street, and submitting to his ever successful and agreeable mode of treatment, the patient was completely restored to health in the shortest time. The cost of the medicine and the calculable benefit derived, add greatly to the value of the article prepared. For sale, wholesale and retail, by E. SELLERS, Agent, No. 20, Wood street, below Second.

PEACE'S HORSEHORN CANDY.

TUFTS has recently come from New York, and is the author of the above celebrated article for Coughs, Colds and Consumption, and is ready to supply customers at wholesale or retail, at his Medical Agency, 86 Fourth st. nov 12.

BEST Bargains than ever, at the THREE BIG DOORS.

THE subscriber will particularly inform his customers and the public generally, that notwithstanding the unprecedented sales at the Three Big Doors, during the present season, he has still on hand the largest and best variety of elegant CLOTHING, that can be bought west of the mountains. The public may rest assured that all articles offered at his store are manufactured from FINEST GOODS, purchased in the Eastern market this spring and made in great variety.

In consequence of the multiplication of shop signs in our city, filled with pawn brokers' clothes and thermometers, cast of garments of former seasons, from the eastern cities, the public are induced to return the character of establishments in their vicinity, and to purchase, before they part with their money. The articles offered at the Three Big Doors in this city, are the most costly of New York and Philadelphia, shop after shop, and second hand, have the same off the Pittsburg market. Purchasers should be on their guard against these impositions, and they may rely on the fact, that no establishment that advertises eastern made clothing, can give as good an article, or as advantageous a bargain, as the Three Big Doors.

The public will please remember, that all the subscriber's garments are made in this city, by competent workmen, and not gathered up like the goods now offered by the "shops of today." In cloths and patches of various kinds, the subscriber has the best quality of CLOTHING that can be bought west of the mountains. The public may rest assured that all articles offered at his store are manufactured from FINEST GOODS, purchased in the Eastern market this spring and made in great variety.

He would again return his thanks to his friends and the public for the unprecedented patronage bestowed upon his establishment, and believing that they have found it to their advantage to deal with him, he would repeat his invitation to all those who buy their CLOTHING of every description, to have the lowest price paid at No. 151, LIBRARY ST. JOHN MCCLOSKEY.

Look at This.

THE attention of those who have been somewhat sceptical in reference to the numerous cures published by Dr. Swaine's Compound Syrup of Wild Cherry, will be directed to the following unknown in this Section of the State, is written especially to the following certificate, the writer of which has been a citizen of this borough for several years, and is known as a gentle, upright and respectable man.

To the Agents of Dr. Swaine's Compound

Cherry for a Cough, with which I have been severely afflicted for about four months, and I have no hesitation in saying, that no other medicine that I have been able to procure, it composed of such ingredients, and agrees well with my diet, and maintains regular and good appetites. I can sincerely recommend it to all others similarly afflicted.
