

DAILY POST

THURSDAY MORNING, NOVEMBER 16, 1893

PITTSBURGH BOARD OF TRADE... As Inos Sayre - We have just been looking at an improved double 'Iron Safe'...

FOR SAFETY. Travelers should select Boats provided with Evans' Safety Guards for preventing Explosion of Steam Boilers.

It would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be the expense of procuring the above apparatus...

This safe reflects great credit on its ingenious and enterprising constructors, whose industry and skill we hope will meet with the encouragement they deserve.

The 'Gipsies' - A new novel on the cheap plan, published by our friend Brierley, who has removed to Philadelphia, is also for sale at Cook's counter.

Gravels - A large quantity of Bohemian Gravels have arrived in Baltimore. This is the first time this valuable class of gravels have ever been seen in America...
