REMOVAL.—The undersigned has removed
to the corner of Penn and St. Clair streets, opposite the
Exchange Hotel, where he has fitted up a large Piano Parlor
and Music Room, and now offers for sale the most splendid
selection of Pianos ever offered in this market.
His assortment consists of different patterns, of superior
Rose Wood and Mahogany, beautifully finished and mod-
ernly and completely throughout of the very best ma-
terials, which, for durability, and quality of tone, as well
as finish, he warrants to be superior to any ever seen.
As he has enlarged his factory, and made arrangements
to supply the increasing demand for this instru-
ment, he respectfully requests those intending to purchase
to call and examine his assortment, before purchasing
elsewhere, as it is determined to sell lower, for
cash, than any other establishment in the city of
Pittsburgh.

INDIVIDUAL AND INDEPENDENT PRINCIPLES.
The Public has long waited for individual competition
in Transportation of the Public Works, by which alone
it can be freed from unnecessary expense and reduced
to a minimum rate that will be realized; the above
State of Pennsylvania having placed Trains on their Rail
Roads, individuals owning Portable Boats are enabled
to bid for the Carrying Trade and successfully to com-
pete with companies.
