Evans' Chamomile Pills.
ABRAHAM J. CLEMER, residing at 66, Mott street, New York, was afflicted with Dyspepsia in its most aggravated form. The symptoms were violent pain in the side, great debility, dryness of the cough, heartburn, pain in the chest and stomach always after eating, impaired appetite, sensation of sinking at the stomach, furred tongue, nausea, with frequent vomitings, dizziness towards night and restlessness. These had continued upwards of a twelvemonth, when, on consulting Dr. Wm. Evans, 100 Chatham street, and submitting to his ever successful and agreeable mode of treatment, the patient was completely restored to health in the short space of one month, and grateful for the incalculable benefit derived, gladly came forward and voluntered the above statement. Better Bargains than ever, at the Three Big Doors.
THE subscriber would respectfully inform his customers and the public generally, that notwithstanding the unprecedented sales at the Three Big Doors, during the present season he has still on hand the largest and most varied assortment of elegant CLOTHING that can be bought west of the mountains.—The public may rest assured that all articles offered at his store are manufactured from FRESH GOODS, purchased in the Eastern markets this spring and made into garments by Pittsburgh workmen.

In consequence of the multiplication of slop shops in our city, filled with pawn brokers clothes and the musty, cast off garments of former seasons, from the eastern cities, the public should be cautious to ascertain the character of the establishments in which they are invited to purchase, before they part with their money. The articles offered at several of the concerns in this city, are the mere offals of New York and Philadelphia slop shops, and sent out here to be palmed off on the Pittsburgh public. Purchasers should be on their guard against these impositions, and they may rely on the fact that no establishment that advertises *eastern made* Clothing, can give as good an article or as advantageous bargains as can be had at the "Three Big Doors."

The public will please remember that all the subscriber's garments are made in *this city*, by competent workmen, and not gathered up like the cast-offs now offered by the "hair lot of passage" from the shreds and patches of eastern slop shops. It will always be his endeavor to maintain the reputation that the "Three Big Doors" have obtained for furnishing a superior style of CLOTHING in every respect, and at prices below those of any other establishment.

He would again return his thanks to his friends and the public for the unprecedented patronage bestowed upon his establishment, and believing that they have found it to their advantage to deal with him, he would repeat his invitation to all those who wish to purchase Clothing of every description at the lowest price, to call at No. 151, LIBERTY ST. JOHN M'CLOSKEY.

Look at This.
THE attention of those who have been somewhat sceptical in reference to the numerous certificates published in favor of Dr. Swayne's Compound Syrup of Wild Cherry, on account of the persons being unknown in this Section of the State, is respectfully directed to the following certificate, the writer of which has been a citizen of this borough for several years, and is known as a gentleman of integrity and responsibility.

To the Agent, Mr. J. KIRBY.

I have used Dr. Swayne's Compound Syrup of Wild Cherry for a Cough, with which I have been severely afflicted for about four months, and I have no hesitation in saying that it is the most effective medicine that I have been able to procure. It composes all uneasiness, and agrees well with my diet,—and maintains a regular and good appetite. I can sincerely recommend it to all others similarly afflicted. J. MINNICK, Borough of March 9, 1840. Chambersburgh.
