Contagious Diseases, and Change of Adams' Patent "Haughphy" Mills.

Pomperament. er there will be no propogation of the species. The soil must be adapted to the seed, or there will be no in rease. The climate must have those matters in it which will unite and keep alive epidemical or contagious poions, or they will become extinguished, as a lamp that is unsupplied with oil. So it is likewise with the hunan frame, it cannot be materially affected by epidemicalor contagious maladies, unless there be those mafter floating in the circulation which offer the appropriate soil. By jurifying our bodies with the Brandeth Pills, which rave affinity with those impurities upon which contagion feeds, we may always feel secure, whatever disease may rage profind us. True, we may have it, but it will soon be over, our sickness will be the affair of a day or two, while those who have been oo wise to use this simple and excellent remedy, tithe die, or have weeksperhaps months of sickness. Sudden changes from very hot to chilly weather are unfavorable to health; and it is a fact universally admit-

ducing disease, and that constant DRY and constant WET weather are both favorable to its generation; it does not gnify what we call it; it may be ague, it may be bilious fever; it may be yellow fever, it may be dysentary; it may be rhoumatism; it may be broughitis; it may be cholic; it may be constipation of the bowels; it may be inflamation of the howels; it may be inflamation of the stom-ach; it may be a nervous affection; still it is disease, and manner teed the further progress of the malady, no mat- tries, chambers, &c. and also PRINTING, need or ought to be used. At the present time it is every nan's duty who wishes to secure his health to use then t is the duty of every one who knows anything of their ealth restoring powers, to make it known in his immediate circle. For there are some alarming signs, which ell of the approach of disease. The sudden changes of emperament are more to be feared and guarded against han any contagious malady.

ted, that heat and moisture are nowerful agents to pro-

The influenza has left many in such a state of weak ness that there is in them a great susceptibility to be affected by these changes of the atmosphere and cantagious maladies; but by the timely use of Brandreth's Pills, even now this susceptibility can be is a great measure removed, and power given the system to resist these morbide oisons, and the sudden changes in the weather with visich it may be brought in contact during the next fifty days. Nature has formed the howels of the evacuation of all unbealthy humors, and if man would but use common sante, he would take care they performed this office faithfully, If the howels are out of order; if too slow or too

timely use, they must infallibly cure. In a very short again attend to the management of ner famous, which time, Dr. Brandreth will bring before the public a conscious and another form of the vitues of the Brandreth Pills, both in the form of Pills, and in a fluid form, and that he will the form of Pills, and in a fluid form, and that he will of your invaluable Pills, her ankle was quite sound, and the form of Pills, and in a fluid form, and that he will be the first commenced the use of Dr. Harding and Aperlent Pills. When the first commenced the use of Dr. Harding a explain the reason of the cures that must necessarily be the result of using the BRANDRETIAN REMEDIES, personal of using the BRANDRETIAN REMEDIES, whether thry be internal or external. I have just reeived the case of a medical gentleman who resides at you and the public at large. Sherbrook, Canada, who for twenty years was sorely afflicted with disease, which came out in illotches and scale all over his body. This gentleman so far forgot to apply personally to Dr. Brandreth, and his course proved a happy one; within six months he was entirely cured of his miserable and tormenting clearse by the Think a bind Position of the Brandreth Price o

man body hody. The omission of purging with them causes of sickness, isoften the cause of a long attack, often and ures of Dr. Brandreth: So each hot of the genuine cudingtonly by cessation of life.

How important i is that this course should be pursued; it will not only be the surest means of restoring, but it.

Observe the new labels, each having upon it two signatures of Dr. Brandreth: So each hot of the genuine has six signatures—three Benjamin Brandreth and three aspecific action upon the heart, give impulse or strength to the arterial system; the blood is quickened to the other with alrections.

Pours truly, C. W. SANDFORD Dr. B. Brandreth: Dr. B. Brandreth: So each hot of the genuine has six signatures—three Benjamin Brandreth and three aspecific action upon the heart, give impulse or strength to the arterial system; the blood is quickened per bottle with alrections. it will not only he the surest means of restoring, but it it will be a great measure prevent the recurrence of constitutional maiadies -it will surely weaken the malignity of the attacks and in time secure robust healt As with all valuable medicines the Brandreth Pick have been shanefully counterfelted, b t I have succeed.

The following are the only agents appointed by Dr. E.

are appended to each hox) of such intrinsic workmanship as to his defined to the future limitators. Now, however, a new evil presents itself. My advertisements are taken verbatim, and used by all the medicine mongers of the day, who merely take my name out and insert the name of their medicine in the place of Bran Ireth's Pills occupied in the advertisement thus stolen rom me. Time will prove how these speculative gen

tlemen sustain themselves. My FRIENDS may rest satisfied that I shall, so long an my life and energies are permitted me by an OVER-RULING PROVIDENCE, attend personally to the preparation of the Brandreth Pills, and that those operties which have thus far rendered them so nonuar, will still be continued animpared.

B. BRANDRETH, M. D. The Brandreth Pills are sold by one agent in every place of importance throughout the world; each agent aving a certificate of agency from Dr. Brand eth, hav. ing fac-similes of lakels on the Branddreth Pill boxes en purpose of constituting agents in the west, having accomgraved thereon.

I can recomend it in the fullest confidence of its superior some of the merchants to act for you as I live near there.

Yours respectfully. en doctors had tried to cure, but could not; the poor parents would have given half they were worth to have had it cured, but every thing they tried did no good, until they gave it a terspoonful of molasses every day, in hilf a part of which they had rubbed down twelve Brandreth Pills; before the whole of the molasses was taken the ulcer was cured. And yet some foolish people call Brandreth's Pills a quack medicine. It would be well if there were a few more such quack medicines. Will all your pretended farsaparilla Compounds cure tive the Brandreth Pills? Can they send you to present the most terrible tortures. We therefore sought other aid in a Betanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we fett after having tried during one whole year the experience of two celebrated physicians in yain, in Fourth St., 2 doors from the U. S. Bank.

WM. TROVILLO, UNDERTAKER,

DESPECTFULLY informs the public that he has removed his ready made coffin ware, house to the huilding recently occupied by Mr. R. G.
