BARON VON HUTCHELER HERB PILLS.—
These Pills are composed of heals, which exert
a specific action upon the heart, give impulse or strength to the arterial system; the blood is quickened and equalized in its circulation through all the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretions of the body are class of individuals as very numerous. They are thes drawn from the blood, there is a consequent increase of who work in an unhealthy atmosphere. Printers work every secretion, and a quickened action of the absorbents men in feather stores, stone cutters, bakers, white lead every secretion, and a quickened action of the absorbents and the shallent, or discharging vessels. Any morbid action which may have taken place is corrected, all obstructions are remered, the blood isportfied, and the body method to prevent discase, is the occasional use of medicine which abstracts from the circulation all delegations.
