DAILY POST.

WEDNESDAY MORNING, DECEMBER 27.

PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR DECEMBER.
William Eichbaum—F. Lorenz—Robert Bell.

WARD MEETINGS.—The meetings on Saturday evening were not as well attended as they should have been. These primary gatherings have an important influence on the interests of the citizens, and every man who desires our municipal affairs to be properly managed, should attend, so that he may either give his approval to prudent measures or oppose others that would tend to the injury of the city. The indifference in regard to the meetings on Saturday evening, we believe to have proceeded from an impression that delegates would be appointed to meet in Convention for the purpose of nominating a party candidate for Mayor. On this question, a majority of the democrats have their minds made up, and as they will not support a political candidate for the office, they would not commit themselves to the measure by taking any part in the primary proceedings.

The democrats of the fifth ward, took the right view of the Mayoralty question. After selecting candidates for all the ward offices, they resolved not to appoint any delegates to the Mayor's Convention, but to leave the choice of Mayor to the free action of the people, without any dictation from ward meetings or conventions. They are convinced of the impropriety of making that office a matter for party strife, and experience has shown them the impossibility of electing party candidates who will discharge its duties impartially. A CITIZEN CANDIDATE is the policy of the democratic party, and it is the policy that has always been supported by the people. We have never known the citizens to support cheerfully a political candidate bro't out by any party, and from the result of the late ward meetings, we think it is more apparent than ever that they will not consent to confide the management of our city affairs to warm political partizans.

COUNTY TREASURER.—We are informed, that yesterday, ROBERT GLASS, Esq., County Treasurer elect, produced the full amount of bail required, and it was duly approved by the Commissioners. We are sincerely gratified at this, as will be all who supported Mr. Glass at the late election.

ANNEXATION OF TEXAS.—The adjourned meeting of the citizens, of all parties, opposed to the annexation of Texas, will be held to-day, at the New Court House, at 11 o'clock, A. M. The meeting will be addressed by Hon W. FORWARD, and other popular speakers.

DECLINATIONS.—We are requested to state that Mr SAMUEL SKEWEN respectfully declines the nomination for Comman Council, in the second ward.

We are requested by Mr SCUDDER HART, to state that other engagements compel him to decline being a candidate for School Director, in the first ward.

PITTSBUROH, Dec. 25th. 1843

After consideration I have come to the determination of tendering to the Democracy of the South ward the withdrawal of my name from before them as a candidate for Select Council. The reason which prompts me to do so, is not a want of feeling for the interest of Pittsburgh, but believing it to be the duty of the ward to select some individual whose location in the district is more permanent than mine, and one that is more intimately acquainted with the business and interests of the city. Therefore the committee to fill vacancies will please accept my declination and provide some other name more suitable to fill its place. After thanking the meeting for the kind partiality expressed in my selection, permit me to subscribe myself, Yours, respectfully,

WM. BRYANT.

To Messrs R H. PATTERSON, and others of the Committee.

DELEGATE MEETING.

The Delegates appointed at the several ward meetings, held on Saturday evening, 23d ult., for the purpose of nominating a Democratic candidate for the Mayoralty, will meet the Washington Hotel, corner of Penn and St. Clair streets, on (this) Wednesday 27th inst., at two o'clock in the afternoon.

THIRD WARD SCHOOLS.

To the Editor of the Morning Post:

DEAR SIR: On Tuesday, of last week, I attended the examination of the male department, Mr Isaac Whittier, principal, in which are taught orthography, reading, writing, geography, English grammar, arithmetic, algebra, modern history, natural philosophy, book-keeping, and declamation; also, vocal music, by Mr Smith. The pupils acquitted themselves in a manner highly creditable, showing clearly that they were under the care of able and finished masters. Their thorough knowledge of the first principles and elements of each branch in which they were examined, showed that the superstructure of their education was based upon a solid foundation. On the day following, I attended the examination of the female department, Mrs A M Whittier, principal; in which are taught all the branches above mentioned, except algebra, book-keeping, and declamation, and also, drawing and needle work. The performances of the pupils of this department were so complete and satisfactory, that even the uncharitable critic could find no spot or blemish on which to rest his jaundiced eye. Upon the Black Board, the extraction of the cube root was as readily and rapidly performed as the simple addition of numbers. The arrangements classification, and discipline of these schools are of the first order, and do great credit to the skill, judgment, and perseverance of the Teachers, who are a credit to the Directors who selected them, and to the cause of Common School Education.

I am informed by one of the Directors, that the examination of the Infant Schools, on Monday, Mrs H J Smith, principal, was equally satisfactory. If any doubt the utility of the Common School System, I advise them to visit these schools, that they may doubt no longer. Better scholars cannot be produced in any select school, than are in these.

James McFerson vs Mary Jane M'Ferson. } Petition for Divorce.

AND now to wit, December the 3d, 1843; a subpœna and alias subpœna having been issued to the respondent in the case, and proof having been made that the said parties could not be found in said county; notice is hereby given to the said respondent that she will be required to appear in said court on the 4th Monday of December next, to answer to the complaints set forth in said petition, otherwise such proceedings will be had as are directed by the act of Assembly, in such case made and provided.

dec 5-law4t E TROVILLO, Sheriff.

FOR SAFETY,

Travellers should select Boats provided with Evan's Safety Guards for preventing Explosion of Steam Boilers

IT would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be at the expense of procuring the above apparatus. And that every individual making such selections is contributing towards a general introduction of an invention admitted by all men who understand the principles of the Steam Engine, to be a sure preventative against those dreadful disasters. You have certainly, in the hundreds of explosions that have already taken place, their almost daily occurrence, and the thousands of lives that have already been lost, a sufficient warning, and inducement to make inquiry for a Safety guard Boat, and in every case to give it the preference. They have went to an additional expense that your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this awful sacrifice of human life. They do not charge more than other boats; their accommodations in other respects are equal, and in many cases superior; and as there is one leaving Pittsburgh every day, why will you run any risk, when it is so completely in your own power to avoid those disasters.

All boats marked thus [*] in the List of Arrivals and Departures, in another part of this paper, are supplied with the Safety Guard.

Mr. Paul Emile Theveau

HAS the honor to inform the public that during his sojourn in Pittsburgh he will give
LESSONS IN THE SPANISH, FRENCH AND LATIN LANGUAGES.

From his having made the Spanish language the sole object of his study during a residence of two years in Havana, there is reason to suppose that he has acquired a good knowledge of their language, the easiest and most harmonious of all modern languages.

Of his competency to teach French there can be no doubt, from the fact of his having been a clerk in a Notary in Paris, where he has studied law. What Mr Theveau here states he can prove by the Ordonnance of the King of France and by letters from the Minister of the Navy.

Mr Theveau can be seen every day from 12 to 1 P M. at Mr Fickeisen's house, Market street, behind the old court house. n29-1m
