FOR THE POST. TO THE PEOPLE OF ALLEGHENY COUNTY. My attention was this morning, the 26th of Dec., called to a certain handbill, by a member of the Bar, hended "city and county meeting" dated 23d Dec., calling upon the people to meet at the Washington Ho-tel, for the purpose of taking some action relative to the source of the Rev. George Marshall, who stands indicted in our Court for the seduction &z. of Eleanor Jane Marfadden. I have been informed that many persons think that I am the author of the hand bill, and further that I am a Catholic, and that it is a Catholic move-ment. Now in the first place. that I am a Catholic, and that it is a Catholic move-ment. Now in the first place I am not the author of the hand bill, nor had I any thing to do ia the matter, neither did I know anything of the business, until my attention was called to it as above stated. Who ever I is to f Reads movided with the Safety Guard. its author may be it is not calculated to benefit the cause of Miss McFadden. I wrote one article for the cause of Miss McFadden. I wrote one article for the Aurora, which was published on the 13th of the pres. entmonth, and have wrote no other on the subject. That article was intended for that Ecclesiastical council who pre-judged the case, and I may notice that again in a proper time and manner. I do not think any friend to good order, or the correct adminis-tration of the low correct administration of the laws, can take exception to that article. BRUNETTE, In the second place, I am not a Catholic, and whether BREAK WATER. it is, or is not a Catholic movement I am not inform-H The course is not a Catholic movement I am not inform-A. The course is not commandable, and will do injury CADDO, where good is intended. Persons should wait, and CHARLESTON, CICERO, save their opinions until the case of Mr Murshall has been legally disposed of. There is not a doubt but what that Ecclesiastical council violated the laws, but CANTON CUTTER if they have done so, it is no sign statul lawn in should. CECELIA, I am not concerned about Mr Marshall's case, but CASPIAN, I am perfectly coatent, that he should take his CLIPPER. COLUMBUS, CLEVELAND, course. I would not wish, however, to be the means of creating prejudice for or against him. Yours, &c. COLUMBIANA,
