DR. WILLIAM EVANS'S SOOTHING SYRUP. This Infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the sums, the child will recever. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rub hed with it. When infants are at the age of four months the there is no appearance of teeth, one bottle of the Syrop should be used to open the pores. Parents should

timely use, they must infailuly cure. In a very short time, Dr. Brandreth will bring before the public a consecutation of the virtues of the Brandreth Pills, both in the form of Pills, and in a fluid form, and that he will explain the reason of the cures that must necessarily be whether they be internal or external. I have just received the case of a medical gentleman who tesides at Schebrook, Canada, who for twenty years was sorely sufficiently will decess which came out in thickness and the public at large.
