gory assures, which was closed as soon as made, or avoided by a change of attitude, and then again came the fierce rush of the horse and enthusiastic foc, with curioss and unlifted sabre, to be so often repulsed by a steady fire of musketry, or checked and routed by our esolute and strong armed cavalry. Confident in the strength of his numbers and the success of other days, Napoleon departed not from his favorite and furious system; and firm in purpose as conscious of the unfailing means which he possessed for supporting it. Wellington saw the devostating have oc made upon his advanced battalions, while he coolly despatched aid-de-camp after aid-de-camp from point to position to position proporting for various to point—from position to position preparing for varito No. 34 Market street, between Second and Third streets, where he would be happy to see his old customers, and all others who feel disposed to patronise him. He uses poshing by feel disposed to particular to the British line sat apparently as upon a review day direction him. spirit of the British line sat apparently as upon a review day, directing his eagle glance over the field, as though penetrating the dence smoke which arose from hard fought encounters, and distinguishing individuals

hard tought encounfers, and distinguishing individuals among the countless figures mingling in the bloody conflict. The hand-glass was constantly at his eye, and his favorite charge "Copenhagen," scemed conscious as the importance of good behaviour upon that mo-A few paces in the rear of his Grace, and mounted upon a Flemish nag, sat an unpretending young man, with a ruddy countenance and in "mufti" deliberately contemplating the scene of human strife in which he took no part, nor in which from his demeanor, one might imagine he was very deeply interested. He wore a dark green surtout with drab trousers, and buff gaiters; a hat of less dimensions than was the fashion of the day, inclined a little over the left ear, from under which, for it was firmly fixed upon his head,

ompete with any establishment west fresh shouts of onslaught reached his ear, or, sudden left or right of his person. Suddenly his Grace turned quickly round as too' ceking somebody to whom he would deliver an order. hen his eye rested on the unmilitary personage whom we have described, it then glanced in other directions

and again returned to the daring but passive spectator. "Who and what are you, sir?" inquired the comnander in quick authoritative accent. mander in quick authoritative accent.

"Me? sir, replied his companion out of arms, bestowing a blow upon the flank of his animal. "My name is Jones. I am travelling agent to Smith and Jenkins, of Holburn, in the hardware line." Here was a pause, during which the Duke seemed or a second, "but" a second, to withdraw his mind rom the immense responsibility of his situation, when e last speaker continued: "I was at Brussels for orders, and unde stood there cas to be a fight, so I came to see it. I am rather ainking if I don't mind. I shall have to pay for this horse which I have only borrowed for the occasion. "There," pointing to some scattered earth, "that shot would have spoiled my day's pleasure; but I shall see

"Mr Jones," said his Grace, "I want an order conveyed to a certain position, would you sorve your country and oblige me by delivering it?"

"Oh dear, yes!" instantly replied the bag-man, another whack upon the beast. "I don't mind giving a bit, what is it?" Hereupon the Duke pointed out the quarter, hidding him to inquire for General \_\_\_\_\_, and comr to him a certain command. "But it is a question whether he'll believe me," observed the bag-man, hulf-doubtingly. "Take this ring," added the Duke, giving him asignet, and a minute after the traveller was on his way File Manufactory.

The Subscriber having commenced the manufacture of Cast Steel Files, from American materials bullets, and took his course over more than one field and many hundred dead and dving. In due time, the

Many years had elapsed when a servant at Apsley monneed the name of a visitor, one Mr. Jones. The Duke happened to be disengaged, and gave permission for him to enter his presence, when who should present himself but the 'civil' hero of Waterloo, ' who with scarcely any change of costume from that AS commenced the business in all its branches at No 22, Wood street, between First and Second strs., where he will keep constantly on hand a good assortment of well made FURNITURE, and hopes, by strict attention to business, to merit a continuance of shaking his hand, "How can I serve you?" Why, I am of the firm of Smith and Jenkins, in the hardware line, and the honor of your patronage, and JOHN McFARLAND,

| District of the state of "I shall not fail to exert myself in your behalf," said Respectfully informs his friends and the public that he field among one regiment—then over the hedge among is prepared to execute all orders for sofas, sideboards, bureaus, chairs, tables, bedsteads, stands, hair and bureaus, chairs, tables, bedsteads, stands, bureaus, tables, bedsteads, stands, bureaus, tables, but and tables, b

up' a bit! and after that I was sometimes it but I had nothing to do with the fight, and so I The Duke kept his word. If some of the gov. ment clerks of the present day, when they stir for a hundredth time their winter office fire, can find leises to examine their pokers they will find stamped thereon 'Smith, Jenkins and Jones, makers," IMDUSTRY OF THE GERMANS. The German population are crowding into the United States, and settling down by hundreds upon the rich lands found in various parts of the country, and no American need regret that such is the fact. The number our free institutions, a population work ap, under our free institutions, a population worth

rive in large numbers, bring with them gold enough purchase plenty of land, at government prices, for themselves and their children. They are lovers of fiberry, and come to the United States to enjoy the essings of freedom, and to secure the advantagement which our free institutions hold out to the industries over the monarchical government of Europe. I'cr. tane's American worm specific, in a nouns maps we cannot give a better mea or user country from the time of giving it, expelled 40 worms, and habits—their industry and economy—than by copying the following extract from the New York Evening Four "The peasantry of Germany, who compose the great body of the nation, wear linen and woolen clothing. of their own manufacture. On the plains of that coun try, vast crops of flax are cultivated, and linea clother
