## FOR GOVERNOR, FRS. R. SHUNK Subject to the decision of

THE DEMOCRATIC STATE CONVENTION.

THOMAS PHILLIPS, EDITOR.

The Dailn Morning Post.

PITTSBURCH, TUESDAY, JANUARY 16, 1844. CLAY AND THE TARIFF.—We them it altogether Speakers of the two Houses be authorized to approve the renowned Don Quixotte's famous attack upon the impossible to convince the Advocate of the absurdity the bonds of McGinley & Co. In accordance with his impossible to convince the Advocate of the absurdity the bonds of McGinley & Co. In accordance with his impossible to convince the Advocate of the absurdity the motion, and on the "Knight of La Mancha" and "Knight of La of claiming Mr Clay as the exclusive Tariff candidate. the question being put to suspend the rules, the years ter. It is so firmly joined to its idol, that all remonstrance and pays were called and were as follows: yeas, 44- | The blood of this chivalrons "Lancaster" being once would be vain. Our article of Friday we thought was sufficient to convince every one that Mr Van Buren was fully as much of a Tariff man as Mr Clay. The doing any thing further than to show which way the similar to the green glasses the yankee put over his hortonia. Advocate pretends not to deny the correctness of the "wind blows." Tariff was proper in the infancy of our manufactures; continue to be the case until some system is adopted Marmion reads thus: but that a very moderate one is all that is requisite now that will not be liable to change every year. This, if we understand it, is its position. Now mark The project of giving the printing to the lowest bidimposed for the purpose of raising a revenue to meet tures. the wants of the government. We have shown that If the members want this matter settled on equitable

lands in the sea." In corroboration of this, we insert for their labor. the following from the New York Tribune-an authority which the Advocate will hardly question:

"Thus, in 1832, I supported that Tariff, which great- to gentlemen.

should be competition.

"I should have preferred that the Compromise, in have been adhered to."

Now, where is there a friend of the Tariff, who would desire to see "the Compromise adhered to?" There are a few cases yet, but nothing worth mention-Where is there a triend of that measure who would be ing. of South Carolina." Not one can be found. How ex- that city on the 11th. was necessary. But if we were to reason until the been committed to juil. "crack of doom," we would not get the Advocate to acknowledge this, for there are

"None so blind as they who will not see." and when in 1990, your count not. It is name is Edobserved by Santa Anna only as long as he may be in as due to the dignity of the Democratic party, and to his own unswerving integrity and firmness.

the singular inconsistency of this argument. In the very der, we believe to be the worst that could be adopted, article that this admission is made, he endeavers to show and if it is followed, will result in giving the work to that because Mr Van Buren is not now in favor of the seme persons who cannot do it properly, or who, if they same kind of Turiff that he was some years ago, that do, will annoy the Legislature hereafter with prayers he has therefore no right to be considered a friend to for additional remuneration. It would be an easy that measure—thus assailing Mr V B for the very thing matter to arrange a bill of prices that would enable the correctness of which he himself admits! We have the members to understand all the mysteries attached shown that Mr Van Buren was in favor of a Tariff that to the different kinds of printing, and which would be would afford protection to our manufactures without a certain guide for them in allotting the work. Prinburthening any portion of community—and we have ters are as well entitled as other people to a fair remulshown this so conclusively that even the Advocate admits he was once in favor of that measure. If his sendance of the mits he was once in favor of that measure. If his sendance of the mits he was once in favor of that measure. If his sendance of the measure of timents have since undergone a change, it is because he not seem to have any settled system, and every session Alleghenies, or that there should be a "fine country" in believes, with a vast majority of the country, that our the Legislature is kept in confusion for weeks in an ef-

they did sustain themselves against foreign competition principles, they can have it closed in a few days by call-things "historical geographical and statistical," as before the present tariff went into operation-that in ing in the services of three intelligent journeymen well as superintendant of the "fine arts" generally the article of cotton goods alone, we exported nearly printers, whose practical information will soon arrange four millions worthin 1841, and that we were then, and a system that will leave no openings for fraud, but at are now, sending our manufactures to the "remotest is- the same time will allow the printers a fair recompense certainly a "great country."

Is it possible that any democrat could be guilty "Already we are supplying China and South Amet- of the vile trick which the Aurora boasts was played ica and the remotest islands of the sea with cotton upon Mr GRATSON, of the Washington Examiner!goods and other manufactured articles. The Yankees It appears an invitation was sent to him to participate to are already supplying England and even China with in the celebration of the 8th, at the United States Hoclicks, and there is no reason, there can be none, why we may not supply the whole world with the leading articles of commerce. The superior intelligence of purpose of getting an answer from him, which would the Chair, and the appointment of the workingmen of this country—the abundance of furnish an opportunity to offer him the vilest insults. cially the cheapness of land, and the great alundance and cheapness of agricultural products, far more than water power, of coal and other fuel, and more espe- Mr G., supposing the invitation came from the comcompensate for the cheapness of the pauper labor of sidering his standing in the democratic party, his letter Europe." should have been treated with the usual courtesy. But If we possess all these advantages, what further aid it is now said that the committee did not send the

need be extended to our manufactures. What necessing invitation, and instead of his letter being treated as the others were, it was not only excluded from the proceeds.

\*\*Sity is there for a protective Tariff?\*\*

\*\*On motion of S. B. Guinar, the chair apparated a committee of seven, to report a preamble and resolutions, for the consideration of the meeting where appoints the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the consideration of the meeting that the proceeds of the proceeds of the procedule of the meeting that the procedule of Mr. Van Buren supported a protective Tariff when ings but has been handed over to persons who make it too said committee: John B. Cinheie, Hiram Kane, protection was necessary. He veted for the Tariff in the excise for offering the grossest insults to the writer.

1828, and so did most of the prominent democrats. We cannot suppose the committee, or the chairman to Mr. Clay did not vote for that Tariff, and in his letter when the latter was added to the prominent democrats. Mr. Clay did not vote for that Tariff, and in his letter whom the letter was addressed, approved of this dissandlessed in a most excellent and elequent connect, to Mr. Meriwether, he states it as a remarkable graceful proceeding. Mr Graveon and his family are by J. W. Burrell, Esq.

The committee having returned, reported the followfact, that from the passage of that bill, "his exertions known to many members of the democratic party in Congress have been directed to the reduction this city, and we do not believe there is one man who More than three years have elapsed since we were and modification of the Tariffs." Hear what he is acquainted with them, that would think of treating in the midst of the uproar and excitement of the last Danwell Geo C

that has been observed towards Mr Gravson.

lowing items are from the Commercial: The small pox has almost entirely left the city.-

July 31, 1843. PHILLIPS & SMITH. DANCING AND WALTZING ACADEMY. Madame M. D. Blaique, Parisian. Late Instructress in the Convents of Nazareth Loretto, and for the last twelve years putronized by the elite of the Cities of Cincinnati, Louisville, Lex ington, Nashville, &c.,

Bega leave most respectfully to offer to the citizens
of Pittsburgh and vicinity, her services as instructress

in the beautiful accomplishments of Dancing, Waltzing, &c.
Her long experience, and the elevated position that has ever been acceded to her, are, she flatters herself. a sufficient guarantee that every attention will be paid Soc'y Mechanics Lodge No to the correct deportment and moral conduct of the scholars: Madamo B.'s system being to impart to her pupils as well an easy carriage in the domestic circle, as a graceful deportment in the Assembly Room.
The following fancy Dances will be taught:—Ladies Hornpipe, Highland Fling, Gavotle, Minuett, Shawl and Scarf Dances, Spanish and Contra Dances, Waltzes, and the latest and most fashionable Cotillions. The hours of tuition will be during two days of the week for young misses and masters, and an Evening Class for gentlemen who may desire to profit by the instruction of Mudame B., and who will be pleased to en-

er their names upon her subscription list. TERMS. - For a session of 20 Lessons, \$10. Cotillion Parties will be given during the session .of Groceries, and also the fixtures of a retail mencement, and in the interim Mad. Blaique wouldes-Grocery Store at a low rate; to any person who wishes teem it a favor if parents and guardians would notify to engage in the business this is a favorable opportuni- her of the number of scholars they propose entering-Madame B. may be found at the Exchange. Madame B. can furnish references to the most resectable fumilies in the South and West, and also to Wilson McCandless, Esq., of this city. jan 10-dtf
