La! what makes your teeth so unusually white?
Quoth Josh's dulcinia to him t'other night,
"To make your look so, with a grin, replied Josh,
I've brought you a bottle of Thorn's' Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best, to make the teeth shine,
Look again, my dear Sal, at the lustre of mine,
Then try it a great tooth wash,
The Teaberry tooth wash,
And see if this Tooth Wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant Tooth Washes now in use.

Pittsburgh Sep. 15, 1842 DAVID HUNT, Dentist.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable. J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentifrice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

TO FEMALES.—There is a large class of Females in this City who from their continued sitting, to which their occupations oblige them, are affected with costiveness which gives rise to palpitation at the heart on the least exertion, sense of heaviness extending over the whole head, intolerance of light and sound, an inability of fixing the attention to any mental operations; rumbling in the bowels, sometimes a sense of suffocation, especially after meals when any exertion is used, as going quickly up stairs; temporfelkic; these are symptoms which yield at once to a few doses of the Brandreth Pills. The occasional use of this medicine would save a deal of trouble and years of suffering. One, or two, or even three of the Brandreth Pills just before dinner, are often found highly beneficial; many use them very advantageously in this way; they aid and assist digestion, restore the bowels to a proper condition, enliven the spirits, impart clearness to the complexion, purify the blood, and promote a general feeling of health and happiness.

Sold at Dr. Brandreth's Office, in the Diamond Pittsburgh—Price 25 cents per box, with full directions.

INDIVIDUAL ENTERPRIZE!
UNITED STATES
PORTABLE BOAT LINE.
For the Transportation of Merchandize and Produce Between
PITTSBURGH AND PHILADELPHIA AND FITTSBURGH AND BALTIMORE,
NEW YORK AND BOSTON.

H. DEVINE respectfully inform the public that they have completed their arrangements for the above Line on

INDIVIDUAL AND INDEPENDENT PRINCIPLES.

The public has long wished for Individual competition in Transportation on the Public Works, by which alone it can be freed from unnecessary expenses and reduced to its lowest rates; that wish will now be realized; the State of Pennsylvania having placed Trucks on her Rail Roads, Individuals owning Portable Boats are enabled to bid for the Carrying Trade and successfully to compete with companies.

This line is composed of Twenty new, Flat Section Portable Boats, owned by the Captains who command them and well known as enterprising, industrious and experienced Boatmen.

The superiority and advantages of the Portable Boat over every other mode of Transportation, are too well known to shippers generally, to require comment; suffice it to say, that the *detention, loss, separation and damage to Goods*, invariably attending *three Transhipments* between Pittsburgh and Philadelphia are by the Portable Boat most effectually *removed*.

The Portable Boat possesses the great advantage too, of being well *ventilated* and *cool* in *Summer*; which prevants *Flour from souring*, and Bacon and Tobacco from sweating.

H. Devine, standing as he does, between the owners of goods and the Boatmen who carry them, and equally interested in protecting the interests of *both*, will make no promises to the public he will not faithfully perform.

He is now prepared to receive and forward Produce to Philadelphia, Baltimore, New York, and Boston in the shortest time, and pledge's himself to enter into no combination with other Lines, but always stand ready to carry out the principles of his Line, and contract for freight on the very lowest terms.

☞To give undoubted security to owners and shippers of goods an open policy of Insurance has been effected, by which all merchandize shipped by this Line will be insured without any additional expense to the owner.

H. Devine will receive all produce consigned to him at Pittsburgh, pay freight and charges to Steam Boats and forward the same without delay to Philadelphia, Baltimore, New York, and Boston without any charge for advancing or commission.

PILES cured by the use of Dr. Harlich's Compound Strengthening and German Aperient Pills.

Dr. Harlich—Dear Sir—Shortly after I received the Agency from you for the sale of your medicine, I formed an acquaintance with a lady of this place, who was severely afflicted with the Piles. For eight or ten years this lady was subject to frequent painful attacks, and her physician considered her case so complicated, that he very seldom prescribed medicine for her. Through my persuasion, she commenced using your Pills, and was perfectly cured. Yours, &c. JAMES R. KIRBY

AS USUAL.

NO sooner does one of Dr. Leidy' preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words "Dr Leidy's Tetter and Itch Ointment," blown in the glass, besides containing his written signature on a yellow label outside.

Dr Leidy's Tetter and Itch Ointment, has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories, and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objections most persons have, to having their names published in connection with such disagreeable and loathsome affections

In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances.

Price Twenty-five cents a bottle. Prepared and sold at Dr Leidy's Health Emporium, (sign of the Golden Eagle and Serpents,) and by B. A. FAHNESTOCK & CO. corner of Wood and Sixth streets, Agents for Pittsburg. july 12

Contagious Diseases, and Change of Temperament.

☞Water must be adapted to the nature of the fish or there will be no propagation of the species. The soil must be adapted to the seed, or there will be no increase. The climate must have those matters in it which will unite and keep alive epidemical or contagious poisons, or they will become extinguished, as a lamp that is unsupplied with oil. So it is likewise with the human frame, it cannot be materially affected by epidemical or contagious maladies, unless there be those matters floating in the circulation which offer the appropriate soil. By purifying our bodies with the BRANDRETH PILLS, which have affinity with those impurities upon which contagion feeds, we may always feel secure, whatever disease may rage around us. True, we may have it, but it will soon be over, our sickness will be the affair of a day or two, while those who have been too wise to use this simple and excellent remedy, either die, or have weeks perhaps months of sickness.

Sudden changes from very hot to chilly weather are unfavorable to health; and it is a fact universally admitted, that heat and moisture are powerful agents in producing disease, and that constant dry and constant wet weather are both favorable to its generation; it does not signify what we call it; it may be ague, it may be bilious fever; it may be yellow fever, it may be dysentary; it may be rheumatism; it may be bronchitis; it may be cholic; it may be constipation of the bowels; it may be inflamation of the bowels; it may be inflamation of the stomach; it may be a nervous affection; still it is disease, and a disease curable by the Brandreth Pills, because they remove all impurities from the body, all that can in any manner feed the further progress of the malady, no matter how called; thus these pills are not only the most proper medicine, but generally the only medicine that need or ought to be used. At the present time it is every man's duty who wishes to secure his health to use them; it is the duty of every one who knows anything of their health restoring powers, to make it known in his immediate circle. For there are some alarming signs, which tell of the approach of disease. The sudden changes of temperament are more to be feared and guarded against than any contagious malady.

The INFLUENZA has left many in such a state of weakness that there is in them a great susceptibility to be affected by these changes of the atmosphere and contagious maladies; but by the timely use of Brandreth's Pills, even now this susceptibility can be a great measure removed, and poison given the system to expel these morbific poisons, and the sudden changes in the weather with which it may be brought in contact during the next fifty days. Nature has formed the bowels of the evacuation of all unhealthy humors, and if man would but use common sense, he would take care they performed this office faithfully. If the bowels are out of order; if too slow or too fast, a few doses of BRANDRETH PILLS will bring them to order. Ask the man who was dying from constipated bowels what cured him; he tells you, Brandreth's Pills. Ask him who had dysentary for six months, and every remedy had failed; he will also tell you the Brandreth Pills cured him in a week. So with other diseases. Twelve Brandreth Pills rubbed down in ½ a pint of molasses, cured a little boy of an niver of the face, which was rapidly spreading to his eyes, and which a dozen doctors had tried to cure, but could not; the poor parents would have given half they were worth to have had it cured, but every thing they tried did no good, until they gave it a teaspoonful of molasses every day, in half a pint of which they had rubbed down twelve Brandreth Pills: before the whole of the molasses was taken the ulcer was cured. And yet some foolish people call Brandreth's Pills a quack medicine. It would be well if there were a few more such quack medicines. Will all your pretended Sarsaparilla Compounds cure like the Brandreth Pills? Can they send you to persons cured, as Dr. Brandreth can? Can they point out to you people who had been helpless for years from Epilepsy and St. Vitus' Dance who have been cured by their remedies? If they cannot, Dr. Brandreth can.—Can they point out to you a person who for twenty years had never had a stool without having used medicine, or mechanical means; and whom the Brandreth Pills cured in a month, and gave him as healthy evacuations as he had when he was a child. If they cannot, Dr. Brandreth can.

The BRANDRETH PILLS not only do cure, all curable diseases, but it can be demonstrated, that by their timely use, they must infallibly cure. In a very short time, Dr. Brandreth will bring before the public a concentration of the virtues of the Brandreth Pills, both in the form of Pills, and in a fluid form, and that he will explain the reason of the cures that must necessarily be the result of using the BRANDRETHIAN REMEDIES, whether they be internal or external. I have just received the case of a medical gentleman who resides at Sherbrook, Canada, who for twenty years was sorely afflicted with disease, which came out in blotches and scabs all over his body. This gentleman so far forgot the prejudices which too often curse his profession, as to apply personally to Dr. Brandreth, and his course proved a happy one; within six months he was entirely cured of his miserable and tormenting disease by the use of the Brandreth Pills.

The use of the Brandreth Pills can in no case do injury, because they are made of those herbs and roots experience has fully proved always harmonize with the human body. The success in curing with them cases of sickness, is often the cause of a long attack, often endingtonly by cessation of life.

How important is it that this course should be pursued; it will not only be the surest means of restoring, but it it will in a great measure prevent the recurrence of constitutional maladies, and by surely weaken the malignity of the attacks and in time secure robust health.

As with all valuable medicines the Brandreth Pills have been shamefully counterfeited, but I have succeeded in having executed THREE LABELS, (and which are appended to each box) of such intrinsic workmanship as to bid defiance to all future forgery. Now, however, a new evil presents itself. My advertisements are taken verbatim, and used by all the medicine mongers of the day, who merely take my name out and insert the name of their medicine in the place of Brandreth's Pills occupied in the advertisement thus stolen from me. Time will prove how these speculative gentlemen sustain themselves.

MY FRIENDS may rest satisfied that I shall, so long as my life and energies are permitted me by an OVERRULING PROVIDENCE, attend personally to the preparation of the Brandreth Pills, and that those properties which have thus far rendered them so popular, will still be continued unimpaired.

B. BRANDRETH, M. D.

The Brandreth Pills are sold by one agent in every place of importance throughout the world; each agent having a certificate of agency from Dr. Brandreth, having fac-similes of labels on the Brandreth Pill boxes engraved thereon.

BRANDRETH'S PILLS are sold at 25 cts. per box, with full directions at the PRINCIPAL OFFICE, 241 Broadway, 274 Bowery, 1894 Hudson street.

☞How important it is that you commence without loss of time with BRANDRETH'S PILLS. They mildly but surely remove all impurities from the blood, and no case of sickness can affect the human frame, that these celebrated Pills do not relieve as much or medicine can do. Colds and coughs are more benefited by the Brandreth Pills than by lozenges and canoles. Very well, perhaps, as palliatives, but worth nothing as eradicators of diseases from the human system. The BRANDRETH PILLS cure, they do not merely relieve, they cure diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all sufficient Pills.

CURE OF A CANCEROUS SORE.

SING SING, January 21, 1843.

Doctor Benjamin Brandreth—Honored Sir: Owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgement of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore.—She could get no rest at night the pain was so great.—Our first Doctor attended her for six months, and she received no benefit whatever, the pain growing worse, and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week, to the astonishment of ourselves and every one who knew of the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and, sir, after six weeks' use she was able to go through the house, and again attend to the management of her family, which she had not done for nearly 14 months. In a little over two months from the time she first commenced the use of your invaluable Pills, her ankle was quite round, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gratitude,
Very respectfully,
TIMOTHY & ELIZA A. LITTLE.

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off, and the bone scraped.—Thank a kind Providence, this made us resort to your pills, which saved us from all further misery, and for which we hope I be thankful. T. & E. L.

☞Sold at 25 cents per box, with directions.

Headache! Headache!

Dr. BRODIE'S ANTI DYSPEPTIC PILLS.

ARE now known to thousands as a most extraordinary remedy for this affliction as well as the incontrovertible fact of their curing DYSPEPSIA. Will those suffering only ask among their friends if they have not known of the *positive effects* of said Pills, and if they do not hear them more warmly praised (and deservedly too) than any other, then let them not buy them. In these few remarks, all fancy or imagination is excluded, and nothing will be said of their merits at any time but what can be fairly proved by respectable members of our community.

Read the following certificate given by a respectable citizen of Allegheny city, and attested by one of the judges of the Court of Common Pleas of Allegheny co.

ALLEGHENY CITY, January 9, 1843.

DR. BRODIE,

Dear Sir—I have for a number of years past been afflicted with a severe and almost constant Headache, arising from derangement of stomach and bowels and although I have taken nearly every kind of Medicine recommended for its cure, have never derived any material benefit until I used some of your truly valuable Anti Dyspeptic Pills. I have not taken quite two boxes and consider myself perfectly relieved from that distressing complaint. I have no hesitation in recommending your Pills as the best medicine I have ever used.

Yours, Respectfully,

WARRANTED GENUINE.—Dr. William Evans's Camomile Pills,

CERTIFICATES.—Letter from the Hon. Ab'l'm M'Clellan, Sullivan County, East Tennessee, Member of Congress.

WASHINGTON, July 3d, 1838.

SIR—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send him some, which I did, and he has employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blunteville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,
ABRAHAM M'CLELLAN, of Tennessee.

DR. WILLIAM EVANS'S SOOTHING SYRUP.—This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should never be without the syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and healing the gums; thereby preventing Convulsions, Fevers, &c. IMPORTANT FACTS.

DR. LEIDY'S SARSAPARILLA BLOOD PILLS, are applicable in all cases, whether for *Purgation* or *Purification*. They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsaparilla in their composition, which is not contained in any other pills in existence. They are also different from other pills in composition, being *purely vegetable*, and can be employed at all times, without any danger, and requiring no restraint from occupation or usual course of living.

Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performed by them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal in their effect; and persons using them for whatever sickness or disease, may rest assured they will be found more efficacious than any other pills in existence.

From the known reputation of Dr Leidy's Blood Pills, it is deemed necessary to remind the public where they may at all times procure the genuine, as it is attempted to impose other pills called 'Blood Pills' upon the public on the reputation of Dr. Leidy's. ☞Be particular and ask for Dr Leidy's Sarsaparilla Blood Pills, and see that the name of Dr N. Dr. SWAYNE—Dear Sir:—Permit me to take the liberty of writing to you at this time to express my approbation, and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bitters. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughs, Colds, Whooping, Croup, Wheezing, Choaking of Phlegm, Asthmatic attacks, &c. &c. I should not have written this letter, however, at present although I have felt it my duty to add my testimony to it for some time, had it not been for a little reluctance where the medicine above alluded to was instrumental in restoring to perfect health an only child, whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating parent, "my child is saved from the jaws of death," that I feared the relentless ravager But my child is now safe!"

Beyond all doubt Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of *Bronchitis*, in which it proved effectual in a exceedingly short time, considering the severity of the case. I can recomend it in the fullest confidence of its superior virtues; I would advise it to be in every family, should be without it; it is very pleasant and always beneficial—worth double and often treble its price. The public are assured there is no humbug about it. R. JACKSON, D. D.
