Total Steambout Tonnage, 219,085. The Cincinnati Chronicle furnishes the following inersting analysis of the foregoing.

"Of this amount two-thirds belong Estimating the number of Steam vessels by the average turnage, there must be at least one thousand Steam sage which relates to the western waters, to the commitressels employed in the Domestic trade of the United-Suttes.

In the valley of the Mississippii, it appears by the acease to murrow at 2 o'clock. Steam vessels, there must be 600 Steamboats on the waters of the Mississippi. This will not appear sur-prising when it is considered that in 1342, there were built on the waters of the Mississippi 102 Steamboats, and that each year augments the number

In 1838, there was, as stated in the American Almanac 1840, about 800 Steamboats in the U. States, whose united tonnage was about 150,000 tons. The complete returns of 1842 gives a tonnage of 215,000, which at the same ratio to the boats, would produce be tween 1100 and 1200 boats. Our estimate of 1000

consideration of the following resolution reported from

HOUSE OF REPRESENTATIVES.

Resolved. That the bill entitled "a bill to revive the

The other outstanding bonds of the State an or general fund. 100 000 00 For penitentiary, For delinquent taxes (originally 31,000) 60,000 00) KEGS Sun Raisins, 27,000 00 For University, For Detroit and Pontiac Railroad Co., 100,000 00 1500 lbs. Goshen Cheese, 100.000 00 For Palmyra & Jacksonburg 20.000 00

Total, \$3.394.005 27 The above constitutes the whole indebtedness of the State held abroad, and for which bonds have been issued. The bonds for the sum first named include increst to July 1, 1845. On the general fund, peniten-

tlary, delinquent tax and university bonds, the interest has been mostly paid. On the remaining bonds, being for \$120,000 issued for the companies named, the in terest since July 1, 1841 remains mostly unpaid. On

in accordance with its pro- upon the internal improvement fund be not paid by the lands of the States, the annual interest will be little less than \$240,000. The Treasury, at the end of

the facal year, shows the excess of resources to be \$77,684. This has reference to the general tund. But as a part of the resources of the Treasury cannot be made available as early this year as heretofore, the

its liabilities, and therefore urges upon the Legislature economy and very limited appropriations.
