Nobody told him to 'return and study his Nobody told him to 'return and study as my but here was one who was very sure such symptoms were alarming; but its roturn might, possimendation was necessary. Days rolled on, and bly, be obvisted by good musing care, quipt, and r blind to his danger his family might be, the himself gradually awoke to it. One morning affective fees and departed.

(Concluded on Monday.) sufferer himself gradually awoke to it. One morning after a restless night, during which he had been greatly harrassed by cough, hectic fever, and a burning feeling in the palms of his hands,—a common accompani-ment of communition,—he called me to his side and

Nurse. I am about to ask you a question, and I expect from you a resolute and explicit answer. Your seco in cases like mine must have been great ell me, do you think I shall recover!"

A hesitated.

"Be candid: you will neither shock nor distress the by your reply; only let it convey your real opinion. Say, shall I recover?'
I told him I thought it doubtful. He mused for a few moments, and then, pointing to his portfolio, said, "Write from my dictation, post the letter yourself, and observe the most rigid silence respecting it to my

family."

The fetter was brief, and addressed to a lawyer in London. It situded elightly to his increased indisposition, and requested bis friend to loose no time in repairing to E—th, where be wished to consult him respecting his will. A journey from the metropolis into Davon was no then, as now, an affair of twenty-toor hours, and ten days elapsed before Mr. Helsham's man of cached us. His unexpected arrival threw the family in the most painful agitation; but by the invalid himself
