The Daily Morning Post.

PITTSBURGH, PA.

FRIDAY MORNING, FEBRUARY 9, 1844.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR FEBRUARY.

William Eichbaum—T. J. Bigham—John W. Blair.

THE YOUNG MEN'S DEMOCRATIC ASSOCIATION is now fully organized, with an efficient and able set of officers, and will do good service to the democratic cause. The meeting of Wednesday night was well attended, and showed that a proper spirit is abroad among the young men, in relation to the importance of the coming contest, and the necessity which exists for concentrated and energetic action.

JOHN ARDUSTER, Esq. has our thanks for interesting Documents.

☞ The "rogers" turned out yesterday, to attend the funeral of a member of one of the companies.

ANOTHER LIBEL SUIT is now before the Court of Quarter Sessions. The prosecutor is our present Postmaster, R M Riddle, Esq. and the defendant Neville B Craig, Esq. It is one of long standing, and originated during the time when those gentleman were connected with the corps editorial.

SLEIGHING.—The jingle of the merry sleigh bells was heard through our city yesterday, and while the present snow lasts the whole town will enjoy it. We expect to be able to go a sleighing ourselves on or about the 1st May.

Who took Dr. Delany's staff from the Front street Church on Friday night last?

That's the question!

ACCIDENT IN BOSTON HARBOR.—The Times states that the schooner "Olive," from Brunswick, Me., having a cargo of Brunswick goods, commenced discharging upon the ice, Friday forenoon, and three sleds loaded with 53 bales of cotton, started for the city—When about half a mile from the vessel, the ice gave way, and horses, sleds, cotton bales and drivers were swamped.

The cotton floated, but two of the sleds and harness, were lost. Two horses were in the water for some time, but they were finally "coosed," and fished up.—The drivers was also saved. The goods were consigned to Messrs Kimball & Coburn, and the underwriters authorised the discharge. The goods were of course considerably damaged.

EXTENSIVE RUBBERIES IN NEW ORLEANS.—On Wednesday night the 24th ult. the store of Messrs. Boutin Gally & Co. in Royal street, New Orleans, was robbed of nearly nine thousand dollars. Eight thousand dollars of this sum was in post notes of the Citizen's Bank; and about six hundred in specie. The thief must have secreted himself in the store in the day time, and when the store was shut up for the night, crept from his hiding place and opened the iron safe.

ANOTHER.—The cigar store in the basement story of the St Charles Hotel was feloniously entered some time on Monday night, the 22d ult and $1200 were stolen and carried away from it.

A CLERK.—A young man, a clerk in one of our wholesale clothing stores, had $800 in notes stolen from his book, while attending to some banking business on the 25th ult. in the Mechanics' and Traders' Bank.

RENEWED ESCAPE OF POLLY BODINE.—The New York True Sun of Saturday says: It was rumored in town last night that this woman had made her escape from Richmond jail.

THE MASSACHUSETTS DISTRICT ELECTION.—The last report from the Third District is that Abbot, the whig candidate for Congress, has been elected by a majority of 63 votes.

HORRID MURDER.

By the Southern mail of yesterday we have the intelligence of a most atrocious murder committed during the Christmas Holidays, on Franklin Bar, opposite the mouth of Red River, which has not before been noticed in the papers. The body of a man was found on the bar stripped, and signs were near of a great struggle. The murder was committed by the stroke of a hatchet on the head, and it is supposed the murdered man was taken from a raft or flat boat, as he was a stranger to the inhabitants of those parts, and no one could recognize his features. It is stated that two woodchoppers, Thomas Ewell and Thomas Horton, suddenly disappeared a day or two before the body was found, and that their tracks correspond to those in the sand, and they had threatened to kill a person who claimed a raft lying above, so it is most probably that they are the villians and have sold the raft below and got off with the money. The papers up the Ohio may know of one missing man who had taken a raft down the Ohio about that time, and serve the friends of the unfortunate man by noticing this murder.—*Cin. Com.*

Twenty-second of February.

VAN BUREN SUPPER.

The Van Buren men of the city and county, are respectfully invited to attend a meeting, to be held at the United States Hotel, this evening, at 7 o'clock, for the purpose of making arrangements for celebrating the birth day of the Father of his country, General George Washington, in a becoming manner

f2 MANY DEMOCRATS.

Johnson*, for *President*. are requested to meet at the Washington Hotel, on Saturday, 10th inst., at 7 o'clock. Now is the time for the people to act, when "traitors brave the field." ☞ The patriotic letter of the war worn veteran will be read to the meeting. By the Committee,

f8 RICH'D HUGHES, President.

IN the District Court of Allegheny County } George R White vs Benj. Darlington. } Vend. Exp.

FOR SAFETY,

Travellers should select Boats provided with Evan's Safety Guards for preventing Explosion of Steam Boilers

IT would be well for the traveling community to bear in mind that their security depends entirely upon their own encouragement of boats that have or may be at the expense of procuring the above apparatus. And that every individual making such selections is contributing towards a general introduction of an invention admitted by all men who understand the principles of the Steam Engine, to be a sure preventative against those dreadful disasters. You have certainly, in the hundreds of explosions that have already taken place, their almost daily occurrence, and the thousands of lives that have already been lost, a sufficient warning, and inducement to make inquiry for a Safety guard Boat, and in every case to give it the preference. They have went to an additional expense that your lives may be secure. Ought you not therefore to meet them with a corresponding degree of liberality, and by your preference show that you appreciate their laudable endeavors to stop this awful sacrifice of human life. They do not charge more than other boats; their accommodations in other respects are equal, and in many cases superior; and as there is one leaving Pittsburgh every day, why will you run any risk, when it is so completely in your own power to avoid these disasters.

All boats marked thus [*] in the List of Arrivals and Departures, in another part of this paper, are supplied with the Safety Guard.

H. DEVINE,

RESPECTFULLY informs his friends and shippers generally, that he has changed the name of his Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily, from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandize shipped by this line in any of the eastern cities, and consigned to H. Devine, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c
