most frightful visions hovered round my pillow, and conspicuous among them all was that ghasily, bload dripping head, as it had appeared to me when held up by the executioner. The Moorish princess, or my wife in an oriental garb, one of them, or both, I know not, so horribly confused was the dream, would pass not, so horribly confused was the dream, would pass before me with pale and menaging countenance, and seizing in their arms the gory head that grinned and my terrors, danced and chattered in exultation at my terrors, danced and waltsed around me in herrible revalry. Thrice welcome was the dawn that at length appeared. But it brought sittle relief. The state of feverish exciteme was succeeded by a depression of spirits that crushed man so the very earth, and the efforts of my affectionate wife, who did her utmost to cheer me, brought no calleviation. Toward evening the fever returned, my temples beared, and my pulse beat with hammer like violated threading a repetition of the preceding night surface. I resolved to remain up late, in hopes that a like violate was sounder sleen. Cecella wished to remain with me, but I insisted upon

FUR GUVERNUR FRS. R. SHUNK: Subject to the decision of THE DEMOCRATIC STATE CONVENTION.

The Daily Morning Post.

THOMAS PHILLIPS, EDITOR. PITTSBURGH, TUESDAY, FEBRUARY 13, 1844

lector at Johnstown, dissects the late report of Mr have been better if it had not been noticed in the public Snodgrass, recently reappointed Superintendent of the papers: that a long vigil might procure me gounder sleep.— Allegheny Portage Railroad, by the new Canal Poard, my will to a crisis I would gladly have avoided. I ing lately published a portion of his report by request.

"The members of the Board are aware that this

lutions, by which transporters desirous to carry emigrant passengers from Philadelphia or Columbia to Pittsburgh, on the public works, in freight boats, could elect to commute by paying at Philadelphia \$2.50 on each and every passenger, and by paying at Columbia \$2.50 on each and every passenger so transported. Due to constant attention to my schooner Galveston.

LATEST FROM TEXAS.

By the arrival yesterday morning of the steam ship in the field of that slanders enough had been coined and circulated for political effect against Judge Wilkins, without adding the fieldish one of murder to the catalogue.

Circumstances require my constant attention to my schooner Galveston. Capt. Rickets, and the probable of the

because they were so approved. If Mr Snodgrass will just look at the toll list of 1843, he will there see the resplendency of hisown ignorance on the subject.

In reply to this, Mr Potts shews "that the trucks office. Judge Wilkins said he could not think of going on the bond forso large an amount, alone, but he advissement to split my very skull as under. I might have been some minutes in this attitude, when I was startland he amount of he hed. I looked he amount the direction of the bed. I looked he amount to the shope in the direction of the bed. I looked he amount to the mount of the duties collected at Galage Wilkins to go on for the whole sum: but the month. The amount collected last on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he advissed on the bond forso large an amount, alone, but he would cheerfully be one to the amount of weston the duties collected at Galage will an advissed by those in the duties collected at Galage will an advissed by those in the duties collected at Galage will an advissed by those in the bond forso large an amount, alone, but he advissed by the bond for the would cheerfully be one to the amount of the state shops, and that the trucks of the would cheerfully be one to the amount of the state and the duties collected at Galage will an advissed by the state of the state and the trucks of the work of been some minutes in this attitude, when I was start-led by a rustling in the direction of the bed. I looked the repairs done to the slips and trucks by those in he ask, Judge Wilkins to go on for the whole sum; but Republic for the past. led by a rustling in the direction of the bed. I looked the repairs done to the slips and trucks by those in gather, but between them was an opening a few inches a wide, behind which I saw something moving. I tixed the object, and pushing away the light that dazeled myeys, gazed intently into the dusky space behind the drappry. Did I see aright! Again, that ghastly face was before me!

Frantic I started up. and seizing one of the heavy proposed that time of 1842.

The heavy purple curtains were drawn nearly to set the temples of the slips and trucks by those in the employ of the State did not exceed \$200. He also shows that in 1840 but nine persons were employed in the ask, Judge Wilkins to go on for the whole sum; but the employ of the State did not exceed \$200. He also shows that in 1840 but nine persons were employed in the same depot from the 19th of April, the ghastly face was before me!

Frantic I started up. and seizing one of the heavy purple curtains were drawn nearly to get the employ of the State did not exceed \$200. He also shows that in 1840 but nine persons were employed that, with several of his friends, he should be nearly 20' been removed by the present Congress from the famous act of the last session, for the disposition of the whole sum; but the employ of the State did not exceed \$200. He also shows that in 1840 but nine persons were employed that, with several of his friends, he should be nearly 20' been removed by the present Congress from the famous act of the last session, for the disposition of the whole sum; but the employ of the State did not exceed \$200. He also should be nearly 20' been removed by the present Congress from the famous act of the last session, for the disposition of the Wilkins at my house, the next day at 20' been removed by the present Congress from the famous act of the last session, for the disposition of the famous act of the last session, for the disposition of the famous act of the last session, for the disposition of the famous act of the last session, for the

The petition of Bernard Louth, of the Boro liam Young Graham alias William Clark, and Heater Birmingham, in the county aforesaid, respectively, colored woman, into eteraity. The crowd of cheweth.

According to a return made to the British Parlia

ment, there was employed by England in 1842 for the suppression of the slave trade: 945 Number of men, The total expenses was £575, 466; or \$2500,000 and yet the slave trade is as largely carried on as ev

AVERAGE MORTALITY OF MANKIND The population of the whole earth has been variou estimated at between eight hundred thousand and a million million of souls. According to the "English Diary," if we fix upon an intermediate number, says 16,080,000, and assign thirty years for the contin ance of each generation, we shall find that the "children of men" come into the world and go out of it at

the following average:-Every second day 24 hours week 7 days 604.800

VERY GOOD.

The Brooklyn Eagle re-publishes the following very "A distinguished clergyman of the Universalist demow a resident in this city—was accused while in Lowell, of 'violently dragging his wife from a revival meeting, and compelling her to go home with He replied as follows: "1. I have never attempted to influence my wife

in her views, nor her choice of a meeting.
"2. My wife has not attended any of the revival meetings of Lowell. "3. I have not attended even one of those meetings, for any purpose whatever.

"4. Neither my wife, nor myself, has any inclination to attend these meetings. '5. I never had a wife!

ROMANCE OF REAL LIFE. The Bristol (RI) Phoenix has the following extract from a letter written by a gentleman on board of the US ship Fairfield; to his father, a resident of Newport, R. I. The letter was dated at sea, Sept. 25th ling about among the ruins of some of the temples admining other places, I wandered into a cemetery, and, Jones. dec'd.

tion of some of the tombs and the beautiful flower beds, I was surprised by meeting the man who had the care of the place, and being addressed by him in turs above named. "Hearned from him that he belonged to Bristol, R. Notice is hereby given that the Auditor appointed in the above cause will attend to the duties of the apwhich time he had been fighting for the Greeks against pointment at his office in Fourth street, Pittsburgh, on the merciless Turks, and had seen the former gain their Monday the 4th March, 1844, at 3 o'clock, P. M. independence. For eighteen years hard fighting, he had received nothing as it were—the country being MORE SWINDLING.

We learn by the Dake of Orleans yesterday, that a ter ascertaining that I belonged so near him, inquired
