Contugious Diseases, and Chunze of Adams Patent "Raughphy" Mills. Temperament. Water must be adapted to the nature of the fis or there will be no propogation of the species. The anil thust be adapted to the seed, or there will be no in rease. The climate must have those mutters in it which will units and heep alive epidemical or cantagiou. po sons, or they will become extingulated, as a lamp that is unsupplied with oil. So it is likewise with the lin-

man frame, it cannot be materially affected by epideminew mode of operating, they are suabled to be hopes to merit public confidence. He will be prepared calor contagious maindies, unless there he those matters st ALL HOURS to provide Hearses, Biers, G. inges and floating in the circulation which offer the appropriate svery requisite on the most liberal terms. Calls from the country will be promptly attended to.

Pills, which have affinity with those impurities upon which contagion feeds, we may lways feel secure whatever disease may rage around us. True, we may ave it, but it will soon be over, our sickness will h he affair of a day or two, while those who have beer oo wise to use this simple and excellent remedy, cliber ie, or have weeks perhaps months of sickness. Sudden changes from very hot to chilly weather are nfavorable to health; and it is a fact universally admit. ted, that heat and moisture are powerful agents in pro-ducing disease, and that constant pay and constant wer prices by the manufacturer. L. R. LIVINGSTON, veather are both favorable to its generation; it does not signify what we call it; it may be ague, it may be bilious lever; it may be yellow fever. It may be dysentary; i may be rheumatism: it may be bronchitis; it may be chol ic it may be constinution of the howels; it may be inflamation of the bowels; it may be inflamation of the stom ach; it may be a nervous affection; still it is do ease, and a disease curable by the Brandreth Pills, because they remove all impurities from the body, all that can in any nanner teed the further progress of the malady, no muter how called; thus these plits are not only the most need or ought to be used. At the present time it is every nan's duty who wishes to secure his health to use them; t is the duty of every one who knows anyth ng of their

realth restoring powers, to make it known in his lume

liate circle. For there are some nlarming signs, which cit of the approach of disease. The sudden changes of

operament are more to be feared and guarded against han any contagious malady. The influenza has left many in such a state of weak ess that there is in them a great susceptibility to be afall unhealthy humors, and Ifman would but use common ien e, he would take care they performed this office faithfully. If the howels are out of order; if too slow or too fast, a few doses of BRANDRETH PILLS will bring them to order. Ask the man who was dying from constigned bowels what cured him; he tells you, Brandrein's

Pills. Ask him who had dyseniary for six months, and every remedy had failed; he will also tell you the Bran-ire h Pillscured him in a week. So with other diseases. Twelve Brandreth Pills rubbed down in a a pint of mo-Dr Leidy's Tetter and Itch Ointment, has proved more cfficacious than any other preparation for Tetter, Itch, Dry and Waiffy Pimples or Pustules, and diseases of the skin growing ways in helf a pint of which they had rubbed down tessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numcrous others might be oblianced to publication, but for the objections most persons have, to having their names published in connection with such disagreeable and toathsome affections

noor parents would have given that fleey were worth to have every thing they tried did no rood, until they gave it a teaspoinful of molasses every and the sape of the skin from their loss heave end the while. B. BRANDETH, M. DI N. B. Remember Mr. G. H. Lee, in rear of the Mar ket is now my only agent in Pittsburgh. New York, June 14th, 1843,

THE TRUE WAY TO RECOVER HEALTH. An individual only wishes to know the right way to pursue it; and there are none, were it surrey made known how Life might be prolonged and Health re-For who is so foolish as not to enjoy all the health his portion of the most useful members of society die be-

kind not having he their own power the means of restoring health when lost.

Now all these dangers and difficulties can be prevented and the long and certain sickness, and hy assisting Nature, in the outset, with a good dose of Brandreth's Pills, and are additionally efficuency, containing Sarsap aritic in the outset, with a good dose of Brandreth's Pills.

This is a fact, well understood to be so by thousands of our citizens. This medicine, if taken so as to purge freely, will surely cure any curable disease. There is no form or kind of sickness that it does not exert a curative influence upon. Thus, by their power in resisting putrefaction, they care measles, small pox, worms and all contageous fevers. There is not a medicine in the world so able to purify the mass of blood and restore it to healthy condition, as the Brandreth Pills.

The Brandreth Pills are purely vegetable, and so inneed that the infant of a morth old may use them if medicine is required, not only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Fenules may use them in nil the critical periods of their lives. The Brandreth Fills will insure the leafth, and produce regularity in all the functions of life.

The same may be said of Brandreth's External Rem-

of life.

The same may be said of Brandreth's External Remedy, as an outward application in all external pains, or swellings, or sores, it greatly assists the cure. When used where the skin is very lender or broken, it should the name of Dr. N. B. Leidy is continued on two sides he mixed with one or two nints of water.
