CINCINNATI MONEY MARKETThe Times states that Specie still continues in demand for shipment, at I premium. It will probably bring this rate, as long as the rates of Eastera Exchange at New Orleans re- main as they are. There has been some inquiry for Kentucky money, although it commands but 4 premi- um. In uncurrent money we have nothing new to note. The prices of State Bank of Illinois notes and certifi- cates, has improved, but there is little offering. Indi- ana Seripis much sought after, with a small supply.
