I HAVE NOBODY NOW.

BY HOOD.

I hae nobody now—I hae nobody now,
To meet me upon the green,
Wi' light locks waving o'er her brow,
An' joy in deep blue een;
Wi' the soft sweet kiss an' the happy smile,
An' the dance o' the lightsome fay,
An' the wee bit tale o' news the while
That had happened when I was away.

I hae nobody now—I hae nobody now,
To clasp to my bosom at even,
O'er her calm sleep to breath the vow,
An' pray for a blessing from heaven;
An' the wild embrace, an' the gleesome face,
In the morning that meet mine eye,
Where are they now? where are they now?
In the cauld, cauld grave they lie.

There's nabody kens—there's nabody kens,
An' O may they never prove,
That sharpest degree of agony
For the child of their earthly love!
To see the flour in its vernal hour,
By slow degrees decay;
Then softly breath in the arms o' death
Breathe its sweet soul away.

O, dinna break my poor auld heart,
Nor at thy loss repine;
For the unseen hand that threw the dart
Was sent from her Father and thine.
Yes, I maun mourn, a' I will mourn,
Even till my latest day;
For though my darling can never return,
I shall follow her soon away.

AMERICAN BRICKS FOR ENGLAND.

Mr George Snyder, a well known brick maker of this city is now completing an order of 30:000 superior pressed bricks for Mr Gibbons, a gentleman of London. Mr S., we are informed, has at the present time upwards of fifty hands employed in the preparation of bricks, for this and the *foreign* market. Philadelphia has always been celebrated for the production of superior bricks, but we imagine there are but few of our readers that supposed they would ever form an article of export to Europe, such however would appear to be the fact. In fine, with a proper protection for a time, what it is that the American mechanic and artizan cannot surpass the foreign manufacturer in the production of?

TO INVALIDS.

☞ How important it is that you commence without loss of time with BRANDRETH'S PILLS. They mildly but surely remove all impurities of the blood, and no case of sickness can effect the human frame, that these celebrated pills do not relieve as much as medicine can do. Colds and coughs are more benefitted by the Brandreth pills, than by lozenges and candies. Very well, perhaps, as palliatives, but worth nothing as eradicators of diseases from the human system. The *Brandreth Pills* cure, they do not merely relieve, they cure diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all sufficient pills.

CURE OF A CANCEROUS SORE.

SING SING, January 21, 1843.

Dr. Benjamin Brandreth:—Honored Sir, owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgment of the benefit my wife has derived from your invaluable pills.—About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencement it became a raging sore. She could get no rest at night the pain was so great. Our first doctor attended her for six months; and she received no benefit whatever, the pain growing worse and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and poor wife still continued to suffer the most terrible tortures. We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her easeat once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under those circumstances we concluded that we would try you Universal Vegetable Pills, determined to fairly test their curative effects.—To my wife's great comfort the first few doses afforded great relief to the pain. Within one week, to the astonishment of ourselves and every one who knew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and sir, after six weeks use she was able to go through the house, and again attend to the management of her family, which she had not done for 14 months. In a little over two months from the time she first commenced the use of your invaluable pills, her ankle was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gratitude,
Very respectfully,
TIMOTHY AND ELIZA LITTLE.

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off, and the bone scraped. Thank a kind Providence this made us resort to your pills, which saved us from all further misery, and for which we hope to be thankful.

THE TRUE WAY TO RECOVER HEALTH.

☞ An individual only wishes to know the right way to pursue it; and there are none, were it surely made known how LIFE might be prolonged and Health recovered, who would not doubt the plan.—Evidence is required that the right way is discovered. This is what those suffering from sickness want to be satisfied about. For who is so foolish as not to enjoy all the health that his body is capable of? Who is there that would not live when his experience can so much benefit himself and family? It is a melancholy fact that a very large proportion of the most useful members of society die between the ages of thirty and forty. How many widows and helpless orphans have been the consequence of manakind not having in their own power the means of restoring health when lost.

Now all these dangers and difficulties can be prevented and the long and certain sickness, and by assisting nature in the outset, with a good dose of Brandreth's Pills. This is a fact, well understood to be so by thousands of our citizens. This medicine, if taken so as to purge freely, will surely cure any curable disease.—There is no form or kind of sickness that it does not exert a curative influence upon. Thus, by their power in resisting putrefaction, they cure measles, small pox, worms and all contageous fevers. There is not a medicine in the world so able to purify the mass of blood, and restore it to a healthy condition, as the Brandreth Pills.

The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them, if medicine is required. not only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them in all the critical periods of their lives. The Brandreth Pills will insure their health, and produce regularity in all the functions of life.

The same may be said of *Brandreth's external remedy*, as an out ward application to all external pains or swellings, or sores, it greatly assists the cure. When used where the skin is very tender or broken, it should be mixed with one or two pints of water.

A sure test of genuine Brandreth Pills.—Examine the box of Pills. Then look at the certificate of agency, whose engraved date must be within the year, which every authorised agent must possess: if the three labels on the box agree with the three labels on the certificate, the Pills are true—if not, they are false.

As Usual.

NO sooner does one of Dr Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited and imitated.

To prevent imposition, Dr Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words 'Dr Leidy's Tetter and Itch Ointment,' blown in the glass, besides containing his written signature on a yellow label outside.

Dr Leidy's Tetter and Itch Ointment has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories, and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objections most persons have, to having their names published in connection with such disagreeable and loathsome affections.

In no single instance has it ever been known to fail. It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances.

Price Twenty-five cents a bottle. Prepared and sold at Dr Leidy's Health Emporium, (sign of the Golden Eagle and Serpents,) and by B A FAHNESTOCK & CO. corner of Wood and Sixth streets, Agents for Pittsburgh. july 12

His pianos consist of different patterns, of superior Rose Wood and Mahogany, beautifully finished and modeled, and constructed throughout of the very best materials, which, for durability and quality of tone, as well as touch, he warrants to be superior to any ever seen here.

As he has enlarged his manufactory, and made arrangements to supply the increasing demand for this instrument, he respectfully requests those intending to purchase to call and examine his assortment before purchasing elsewhere, as he is determined to sell LOWER, for cash, than any other establishment east or west of the mountains.

Dr. Leidy's Tetter & Itch Ointment.

FOR the cure of every variety of Tetter, the Itch, and all diseases of the skin, has proved itself more efficacious than any other preparation for the same purpose in use.

Upwards of five hundred certificates might be procured and published of its efficacy from School Teachers, Proprietors of Factories, Parents, Guardians, Child Nurses, Captains of vessels and others, were it not for the delicacy in having their names published in connection with such disagreeable affections.

By the use of Dr Leidy's Tetter Ointment in conjunction with his extract of Sarsaparilla or Blood Pills, he will guarantee to cure any disease common to the skin however bad, or of however long standing, or refund the money. There are however very few instances but can be cured by the Ointment alone.

Price, 25 cents a box.

CINCINNATI, February 15, 1843.

DR SWAYNE—*Dear Sir:* Permit me to take the liberty of writing to you at this time to express my approbation and to recommend to the attention of families and others you invaluable medicine—the Compound Syrup of Prunus Virginiana, or wild cherry bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicines in relieving children of very obstinate complaints, such as coughing, wheezing choking of phlegm, asthmatic attacks, &c. &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child is saved from the jaws of death. O how I feared the relentless ravager. But my child is safe, is safe!"

Beyond all doubt, Dr Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and often beneficial—worth double and often ten times its price. The public are assured there is no quackery about it.

DR. WM. EVANS' SOOTHING SYRUP.

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should never be without the syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and healing the gums, thereby preventing convulsions, fevers, &c.—For sale wholesale and retail by

LIVER COMPLAINT cured by the use of Dr Harlich's compound Strengthening and Aperient Pills. Mr. Wm. Richards, of Pittsburgh, Pa, was entirely cured of the above distressing disease. His symptoms were pain and weight in the left side, loss of appetite, vomiting, acid eructations, a distension of the stomach, sick headache, furred tongue, countenance changed to a citron color, difficulty of breathing, disturbed rest, attended with a cough, great debility, with other symptoms indicating great derangement of the functions of the liver. Mr Richards had the advice of several physicians, but received no relief, until using Dr Harlich's medicine, which terminated in effecting a perfect cure.

La! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,

The Teaberry tooth wash.
And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use.

DAVID HUNT, Dentist.
Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. CERTIFICATE.—The following letter from Major General Sandford, as to the External Remedy, speaks volumes.

NEW YORK, Feb. 9, 1842.

Dear Sir: Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knee, about which I was so uneasy, and I have found it productive of immediate relief in several cases of external injury in my family. A few evenings since, my youngest child was seized with a violent attack of croup, which was entirely removed in twenty minutes, by rubbing her chest and throat freely with the External Remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to particular acquaintances. Yours truly,

CERTIFICATES.—Letter from the Hon. Abram McClellan, Sullivan County, East Tennessee, Member of Congress

WASHINGTON, July 3d, 1838.

Sir.—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazwell, East Tennessee. I have no doubt but if you
