THE FACE OF A LINOP AND DM A BOTA

TO AN VALUE How important it is that you commence with out loss of time with BRAWNRETS'S FILLS. They Yearenday afternoon, during a round of part of the sempany attached to the Front street circus, through "The oirs, accompanied by a band of music, and Herr "The oirs, accompanied by a band of music, and Herr "Drieblach with a leopart from the monagerie, the cavalcade thatted at Dia & Flogg's Fountain Hotel in Light street, Brieshach with the leopard in his arms, mildly but surely remove all impurities of the blood and no cheer of the prese can effect the harmon frare of that the table of the prese can effect the harmon frare of that the table of the side soft relieve of buch as medicity the branched relief than by lovenges and can-ted by the Branched relief than by lovenges and canalighted and going into the hotel. The party as usun argounded with crowd of gazers, coasising shiefly of dias. Yery well, herbaps, us paliatives, but we have not use for the human of when forced their way into the human is about the arguing the human for the human boys, many of whom forced their way into the houseem. The Brandreth Fills cure, they do not merethe toopard and his master having contered the reading room. After a short stay, a passage was made for their egress, and Driesbach bearing the unimal before

him, its head crouched upen his right arm, came out; but as he was passing from the door to the carriage, a oy named Join'Quisn, about ten years old, son

Mr. Charles Quin, hackman, was either pushed from the throng of boys on the parsment, or stumbled with to you a debtof gratitude that mousy cannot ray, I am induced to make a public actinowied gment of the benhis head directly against the mose of the leopard, and is an instant the animal darted forth his paw, seized theboy by the check and burying his claws in the flesh, drew bishead into his jaws. With an alacrity and daring that does credit to the courage and presence of rained of Diricsbach, he lestantly thrust his hand hito the leopard's mouth and jamming it down his threat, all three foll: to the parement together; the leopard, however, would not release hishold and the screams of the boy, together with the excitement, cries and afarm of the crowd, the growling of the animal, the the pain was so great. Our first dictor attended net farm of the crowd, the growling of the animal, the for six months; and sho received no benefit whatever, fartling and prematory demands of Driesbach for a the main months; and sho received no benefit whatever, caused a scene of the most thrilling horror,

and the combatants, as a matter of course, had a wide field for the struggle, ample scope having been given by thrusting his hand down the leopard's throat, suc soon cure the sore, and give her ease at once. ed in choking him sufficiently to extricate the boy's

Stead, when he released his own hand and lodged the langerous animal in the carriage. The boy was then takes into the hotel, when, upon examination, it was thund that the injuries he had neceived would require the attention of a medical man, and he was conducted immediately to the office of Dr D. B. McLaughlin, ed immediately to the office of Dr D. B. McLaughlin, in Fryctle street, under Barnun's hotel, where his clud d that we would try your Universal Vegetable wounds were promptly and skilfully dressed by that Pills. determined to fairly test their curative effects. gentleman. His cheek was found to be severely lacerated, a gash of about three inches in length having been inflicted apparently by the animal's claws, and some minor wounds existed about the sculp toward ck part of the head. The teeth of the leopard sected to have left but alight impressions, if any, doub less attributable to the prompt interposition of Dries-hach's arm between his jaws.-Balt. Sun Murch 9.

PREDICTIONS FOR 1814

This year will be famous for a thousand different From January to December the duys will consist of 24 hours each, and there will be such a number of celipses, that many wise people will be in the dark. Those who hase money will look ad, and those who are in want of cush when they borrow, will want it

more when they come to pay. Quadrapeds this year; will go upon four legs, prety generally; and cows horns will be crooked.

The colostial aspects indicate that political parties will not agree for some time to come; but whoever it President, water will run down hill, and ducks will addle as breatofure. Cabbage this year will be rather round than three-

mored, and beets will be decidedly red. Coal will be as black as ever ; outs will love fish, but hate to we their feet, and all on account of the late comet

Wheover sells his house to buy moonshine will hard Jy get his money's worth. Whoever runs to catch the ow, will get out of breath for his pains. For all that Eastorn lands may be had for the buying.

where at a distance. Letters, post paid, will meet with immediate attenbut worth

ly reliand, they circ disaste, whether chronic or re-cent, infectious or otherwise, will certainly be cured by the use of those all sufficient nills. CURE OF A CANCEROUS SORE.

Stato Sing, January 21, 1843. Dr. Benjamin Brandreth:- Honored Sir, owing

cfit, my wife has derived from your invaluable pills .--About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swallen, so much so that we became alarmed and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commoncement it bemax 20 come a running sore. She could get no rest at night the pain was so great. Our first doctor attended he

the rain growing worse and the sore larger all the while. He said if it was heated up it would be her death, but he appeared to be at a loss how to proceed and poor wife sjill continued to suffer the most terrible turtures. We therefore sought other aid in a Botani cal doctor, who said when he fust saw it that he could

surprise he give her no relief, and acknowledged that it baffled all his skill. . Thus we felt after having tried during one whole yeat the experience of two celebrated physicians in vain, irrabiolate despair. My poor wife's constitution

rapidly failing in the prime of her years from her con-To my wife's great comfort the first few doses afforded great relief to the pain. Within one week, to the astonishment of ourselves and every one whoknew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comforta-

bly, and sir, after six weeks use she was able to g through the house, and again attend to the manage ment of her family, which she had not done for 1onths. In a little over two months from the time she

inkle was quite sound, and her health better than it et large

We are, with much gratitude.
