CURE OF A CANCEROUS SORE. Sing Sing, January 21, 1843. Dr. Benjamin Brandreth:-Honored Sir, owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgment of the benefit my wife has derived from your invaluable pills.—

About three years this winter she was taken with a pain in her ankle, which soon became very much in-flamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencement it be came a rusning sore.
