CONFESSION OF A MURDERER.

Julian Hall, who has been sentenced to be hung at Middletown, Conn., for the murder of Mrs. Bacon, has made the following confession. After describing his determination to commit the robbery and his route to the house of Mr. Bacon, he says—

"I stopped two or three minutes at the barn in sight of the house; I saw no smoke coming from the chimney, and the door of the ell part of the house was shut, which made me suppose the family had gone to the meeting. I then went into the west yard, opposite the ell part of the house, and got into the window of the ell part, which was up. Then I went east into the kitchen, and from there into the south-west front room. There was no person in either room, and I heard no one in the house. I saw the desk in the front room from the kitchen, the door being open between. I then went to the desk; it was unlocked. I had opened the desk and was getting the money, when Mrs. Bacon came in; I did not hear her till she came in at the door. She came in at the kitchen door, the same one that I did; I do not know where she had been. She came towards me; she had nothing in her hand. She first spoke, and I think she said, "Is this you, Mr. Hall?" I think I said, "I will kill you," and caught up a chair. She said, "You're not going to kill me, are you?" and she took up a rocking chair to defend herself. She screamed loud two or three times. I think she said "D—n't kill me." She retreated towards the kitchen door; I struck her with the chair I held, and either knocked the rocking chair out of her hands or she let it fall. She then turned to run into the kitchen. I should think I then hit her with the chair on the back of the head, and that knocked her down. She got part way up, and I knocked her down again; the blow was on the side of the head. I think she did not get up again, but continued to groan. I should think she rolled over on her back. The spot of blood nearest the door must be where she first fell. The next blow I gave was on her forehead; I should think this blow split the bottom of the chair. I then took another chair and struck her a number of times on her head—it might be three or four. I thought I still saw signs of life, and I went into the buttery and got the butcher knife that was found on the floor; I did this to make sure she was dead. I came back and stabbed her several times in the breast and stomach; I thought she breathed after the first stab. I then went back to the desk and finished getting the money."

TALE OF A TRANSPORT.

It is stated that not five miles from the west end of London, a horse has lately been taken by a gentleman who keeps his carriage and is evidently well to do. About 15 years ago the house was burglariously entered, and the robber tried, convicted and transported for the offence. It will hardly be credited, but it is a fact, that so great may be the attachment and love for a particular building in the human breast, that the now tenant and former burglar, are one and the same person!

PHILOLOGICAL LORE.—We clip the following from a late Mobile Advertiser:

Is there a word in the English language that contains all the vowels? There is, *unquestionably*.

To which may be added, *facetiously*, another, where all the vowels occur in their regular order, without repetition; and here is another, which is furnished that our readers may not accuse us of acting ourselves *abstemiously* in dispensing our philological treasures.

RECOVERING.—Mr. Evans, who was thought to be mortally wounded a few days since, on the Cutter, by the discharge of a gun on board of the Clipper, is in a fair way to recover. Dr Strader, the presiding physician of the Hotel for Invalids, has pronounced him out of danger. *Cin. Enq.*

TO INVALIDS.

☞How important it is that you commence without loss of time with BRANDRETH'S PILLS. They mildly but surely remove all impurities of the blood, and no case of sickness can affect the human frame, that these vegetable pills do not relieve as much as medicine can do. Colds and coughs are more benefitted by the Brandreth pills, than by lozenges and candies. Very well, perhaps, as palliatives, but worth nothing as eradicators of diseases from the human system. The *Brandreth Pills* cure, they do not merely relieve, they cure diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all sufficient pills.

CURE OF A CANCEROUS SORE.

SING SING, January 21, 1843.

Dr. Benjamin Brandreth:—Honored Sir, owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgment of the benefit my wife has derived from your invaluable pills.—About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencement it became a running sore. She could get no rest at night the pain was so great. Our first doctor attended her for six months; and she received no benefit whatever, the pain growing worse and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and poor wife still continued to suffer the most terrible torture). We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we ran after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try you Universal Vegetable Pills, determined to fairly test their curative effects.—To my wife's great comfort the first few doses afforded great relief to the pain. Within one week, to the astonishment of ourselves and every one who knew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and sir, after six weeks use she was able to go through the house, and again attend to the management of her family, which she had not done for 14 months. In a little over two months from the time she first commenced the use of your invaluable pills, her ankle was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gratitude,
Very respectfully,
TIMOTHY AND ELIZA LITTLE.

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done unless the whole of the flesh was cut off, and the bone scraped. Thank a kind Providence this made us resort to your pills, which saved us from all further misery, and for which we hope to be thankful.

THE TRUE WAY TO RECOVER HEALTH,

☞An individual only wishes to know the right way to pursue it and there are none, were it surely made known how LIFE might be prolonged and Health recovered, who would not doubt the plan.—Evidence is required that the right way is discovered This is what those suffering from sickness want to be satisfied about. For who is so foolish as not to enjoy all the health that his body is capable of? Who is there that would not live when his experience can so much benefit himself and family? It is a melancholy fact that a very large proportion of the most useful members of society die between the ages of thirty and forty. How many widows and helpless orphans have been the consequence of mankind not having in their own power the means of restoring health when lost.

Now all these dangers and difficulties can be prevented and the long and certain sickness, and by assisting nature in the outset, with a good dose of Brandreth's Pills. This is a fact, well understood to be so by thousands of our citizens. This medicine, if taken so as to purge freely, will surely cure any curable disease.—There is no form or kind of sickness that it does not exert a curative influence upon. Thus, by their power in resisting putrefaction, they cure measles, small pox, worms and all contageous fevers. There is not a medicine in the world so able to purify the mass of blood, and restore it to a healthy condition, as the Brandreth Pills.

The Brandreth Pills are purely vegetable, and so innocent that the infant of a month old may use them, if medicine is required, not only with safety but with a certainty of receiving all the benefit medicine is capable of imparting. Females may use them in all the critical periods of their lives. The Brandreth Pills will insure their health, and produce regularity in all the functions of life.

The same may be said of *Brandreth's external remedy*, as an outward application to all external pains or swellings, or sores, it greatly assists the cure.—When used where the skin is very tender or broken, it should be mixed with one or two pints of water.

A sure test of genuine Brandreth Pills.—Examine the box of Pills. Then look at the certificate of agency, whose engraved date must be within the year, which every authorised agent must possess; if the three labels on the box agree with the three labels on the certificate, the Pills are true—if not, they are false.

As Usual.

NO sooner does one of Dr Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited and imitated.

To prevent imposition, Dr Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words 'Dr Leidy's Tetter and Itch Ointment,' blown in the glass, besides containing his written signature on a yellow label outside.

Dr Leidy's Tetter and Itch Ointment has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories, and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objections most persons have, to having their names published in connection with such disagreeable and loathsome affections.

In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances.

Price Twenty-five cents a bottle. Prepared and sold at Dr Leidy's Health Emporium, (sign of the Golden Eagle and Serpents,) and by B A FAHNESTOCK & CO., corner of Wood and Sixth streets, Agents for Pittsburgh. july 12

REMOVAL.—The undersigned begs leave to inform the public, that he has removed from his old stand, to the corner of Penn and St. Clair sts., opposite the Exchange Hotel, where he has fitted up a large PIANO FORTE WARE ROOM, and now offers the most splendid assortment of PIANOS ever offered in this market.

His pianos consist of different patterns, of superior Rose Wood and Mahogany, beautifully finished and modeled, and constructed throughout of the very best materials, which, for durability and quality of tone, as well as touch, he warrants to be superior to any ever seen here.

As he has enlarged his manufactory, and made arrangements to supply the increasing demand for this instrument, he respectfully requests those intending to purchase to call and examine his assortment before purchasing elsewhere, as he is determined to sell LOW FOR CASH, than any other establishment east or west of the mountains.

Dr. Leidy's Tetter & Itch Ointment.

FOR the cure of every variety of Tetter, the Itch, and all diseases of the skin, has proved itself more efficacious than any other preparation for the same purpose in use.

Upwards of five hundred certificates might be procured and published of its efficacy from School Teachers, Proprietors of Factories, Parents, Guardians, Child Nurses, Captains of vessels and others, were it not for the delicacy in having their names published in connection with such disagreeable affections.

By the use of Dr Leidy's Tetter Ointment in connection with his extract of Sarsaparilla or Blood Pills, he will guarantee to cure any disease common to the skin, however bad, or of however long standing, or refund the money. There are however very few instances but can be cured by the Ointment alone.

Price, 25 cents a box.

DR SWAYNE—*Dear Sir:* Permit me to take the liberty of writing to you at this time to express my approbation and to recommend to the attention of heads of families and others your invaluable medicine —the Compound Syrup of Prunus Virginiana, or wild cherry bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicines in relieving children of very obstinate complaints, such as coughing, wheezing choking of phlegm, asthmatic attacks, &c, &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child is saved from the jaws of death. O how I feared the relentless ravager. But my child is safe, is safe!"

Beyond all doubt, Dr Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and often beneficial—worth double and often ten times its price. The public are assured there is no quackery about it. R. JACKSON, D D

FOR about 20 years I have been periodically afflicted with weakness, accompanied by pain in my stomach, head ache, pain in the eyes, dizziness and want of breath. I have tried many plans to subdue the complaints to no purpose. During the months of July and August, I used one bottle of Dr McLane's Lung Syrup, and two boxes of his liver Pills. By using these medicines I enjoy better health than I have done for many years. The Lung Syrup in conjunction with the liver Pills, are an excellent anti-bilious aperient and well calculated to purify the system.

DR. WM. EVANS' SOOTHING SYRUP.

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should never be without the syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and healing the gums, thereby preventing convulsions, fevers, &c.—For sale wholesale and retail by

LIVER COMPLAINT cured by the use of Dr Harlich's compound Strengthening and Aperient Pills. Mr. Wm. Richards, of Pittsburgh, Pa., was entirely cured of the above distressing disease. His symptoms were pain and weight in the left side, loss of appetite, vomiting, acid eructations, a distension of the stomach, sick headache, furred tongue, countenance changed to a citron color, difficulty of breathing, disturbed rest, attended with a cough, great debility, with other symptoms indicating great derangement of the functions of the liver. Mr Richards had the advice of several physicians, but received no relief, until using Dr Harlich's medicine, which terminated in effecting a perfect cure.

Lo! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him 'other night,
To make your looks so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try this great tooth wash,
The Teaberry tooth wash.
And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use. DAVID HUNT, Dentist.

Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. CERTIFICATE.—The following letter from Major General Sandford, as to the External Remedy, speaks volumes.

NEW YORK, Feb. 9, 1842.

Dear Sir: Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knee, about which I was so uneasy, and I have found it productive of immediate relief in several cases of external injury in my family. A few evenings since, my youngest child was seized with a violent attack of croup, which was entirely removed in twenty minutes, by rubbing her chest and throat freely with the External Remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to particular acquaintances. Yours truly,

TO FEMALES.

THERE is a large class of Females in this city who from their continued sitting, to which their occupations oblige them, are affected with costiveness which give rise to palpitation at the heart on the least exertion, sense of heaviness extending over the whole head, intolerance of light and sound, an inability of fixing the attention to any mental operations; rumbling of the bowels, sometimes a sense of suffocation, especially after meals when any exertion is used, as going quickly up stairs; temper fickle; these are symptoms which yield at once to a few doses of the Brandreth Pills. The occasional use of this medicine would save a deal of trouble and years of suffering.—One, or two, or even three of the Brandreth Pills just before dinner, are often found highly beneficial; many use them very advantageously in this way: they assist and aid digestion, restore the bowels to their proper condition, enlivens the spirits, imparts clearness to the complexion, purify the blood, and promote a general feeling of health and happiness.

BARON VON HUTCHELER'S HERB PILLS

These Pills are composed of herbs, which exert a specific action upon the heart, give impulse or strength to the arterial system; the blood is quickened and is qualized in its circulation through all the arteries, whether of the skin, the parts situated internally, or the extremities; and as all the secretions of the body are drawn from the blood, there is a consequent increase of every secretion, and a quickened action of the absorbent and exhalent, or discharging vessels. Any morbid action which may have taken place is corrected, all obstructions are removed, the blood is purified, and the body resumes a healthful state. DENNING'S FIRE PROOF IRON CHESTS.

PITTSBURGH, Oct. 22, 1842.

J Denning: On Friday, the 30th of last month, about 9 o'clock at night, the Planing, Grooving, and Sash Manufactory, owned by Gay, Dilworth & Co., with a large quantity of dressed and undressed lumber, was all consumed by fire.

The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot. I am pleased to inform you it was opened at the close of the fire, and all books, papers, &c., saved;—this is the best recommendation I can give of the utility of your safes.

IMPORTANT FACTS.

DR. LEIDY'S Sarsaparilla Blood Pills are applicable in all cases, whether for *Purgatives* or *Purification*, They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsaparilla in their composition, which is not contained in any other pills in existence. They are also different from other pills in composition, being purely *vegetable*, and can be employed at all times, with at any danger, and requiring no restraint from occupation or usual course of living.

Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performed by them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal in their effect; and persons using them for whatever sickness or disease, may rest assured that they will be found more efficacious than any other pills in existence.

From the known reputation of Dr. Leidy's Blood Pill, it is necessary to remind the public where they can at all times procure the genuine, as it is attempted to impose other pills, called the 'Blood Pills' upon the public on the reputation of Dr. Leidy's. ☞Be particular and ask for Dr. Leidy's Sarsaparilla Blood Pills, and see that the name of N B. Leidy is contained on two sides of each box, (the boxes being of paper, and oblong, square shape, surround d by a yellow and black label.

WARRANTED GENUINE.—Dr. William Evans's Camomile Pills.

CERTIFICATES.—Letter, from the Hon. Ab'h'm M'Clellan, Sullivan County, East Tennessee, Member of Congress

WASHINGTON, July 3d, 1838.

Sir—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to send for you. You can send the medicine by
