[During the observations that were passing between the bench and counsel, the crowds in the hall and in the immediate vicinity of the court were loudly cheer meetings, changes and alterations in the government,

TUREST.—According to the success of the ing. As soon as the jury had given their verdict some person communicated to the assemblage in the hall that Daniel O'Connell had been acquitted, and the people there immediately commenced cheering, and the shouts were taken up and re-echoed by the crowd

When the jury had retired about half an hour, the Attorney General suggested that, as it was just twelve changes in the law. and the verdict could not well be given on Sunday, the court should adjourn until Monday morn

The jury were then called. On their appearing, Mr Justice Grampton said—Gentleme arranged your verdiet? The Foreman—Not yet, my lord.

Mr Justice Crampton—It is very near twelve oblock therefore you had better be quick (great laughter.)
"This noise," observed his lordship, "is extremely indecent, and I must exercise the authority of the Court if I find any person committing a breech of order."
The interpretation of the court in the cou The jury thea retired, and some minutes after it was bserved by Mr Henn that it was 12 o'clock. The Attorney General was willing to stay, and take the verdict without detaining the jury, but the counsel for the traversers would not ucquiesce inghe arrangement. Finally, a quarter past 12, the jury were called into court, and informed that it was too late to receive their verdict, and the court adjourned until 9 o'clock

TWENTY-FIFTH DAY .-- The Chief Justice, Mr Jus-· tice Crampton and Mr Justice Burton, took their seats schu few minutes after 9 o'clock, at which hour the court was crowded, but not inconveniently so main entrance to keep off the crowd, and prevent the in the power of the crown to call for judgement on the admission of persons not duly authorised The traversers arrived at an early hour

Mr Justice Crampton minutely detailed to his brother Judges what took place on Saturday evening, sub-sequent to their leaving the court, at half past fi e o'clock, and accounted for the difficulty which the jury experienced respecting the first and second counts, b serving that they contained five distinct issues, upo which there should be five distinct findings, and did not, therefore, admit a general finding. Having briefly described the nature of the issues involved in the several counts, and pointed out in what respects they differed one from another, his lordship suggested that the proper course to adopt would be to put these issues before the jury in the distinct form in which he had

dict, to the reception of which some slight objections re made, and notes taken thereof.

Непинтави, Feb. 12, 1843. My DEAR SIR:--Yours of the 23d ult has been re eived, and with it the Madisonian, containing Gov. Gilmer's letter on the subject of the annexation of Texas to the United States. You are not mistaken in supposing that I have formed an opinion on this interesting subject. It occu-pied much of my attention during my Presidency, and I am sure has lost none of its in has since transpired.

Soon after my election of 1829, it was made known undation of a treaty with Spain for the cession of the Floridas, and the settlement of the boundary o Louisiana, fixing the western limit of the latter at the Rio Grande, agreeubly to the understanding of France—that he had written home to our government for powers to complete and sign this negotiation; but that, in-stead of receiving such authority the negotiation was taken out of his hands and transferred to Washington, and a new treaty was there concluded, by which the Sabine, and not the Rio Grande, was recognized and established as the boundary of Louisiana. Finding that these statements were true, and the our Government did really give up that important ter-

erters."
ritory, when it was at its option to retain it, I was
