it of Texas. Such are the conquests which steam , urday the Gazette defined Mr Clay's Tariff principles has already effected, upon the water and upon the by extracts from his own speeches, from which it ap-tand; and, when we consider the wonderful advance pears that he wants no butter Thriff then was which it apthe. And be, who, under such circumstances, Mr Benny cannot conscientionally support such a man, would still say that Texas was too large or distant for but even if he should, he cannot persuade the people to ation to the Union, must have been sleeping confide their welfare to a man who is the warm advees the application of steam to locomation.

Laton, why is not Oregon also, which is nearly double meshaged ? Rexas? and if Texas's not or to note, why is antibular and any will take us to the module of the Del Norte, whereas three modules by land; ave the Del Norte, whereas international for the jour-

any to the mouth of the Columbia and distancocean. And if Oregon, although dispu-

it who, is truth and justice all our own, Texas was carrying out some of their fraudulent schemes during the approaching contest, and here we have the first donow again become our o wn by the free and unanimona consent, already given, of allby whom it is owned and copied. I have not thus contrasted Texas and Oreon with a view so oppose the occupation of Oregon; for I have always been the ardent friend of that measore. Indrocated it in a speech published long before the death of the lamented and patriotic Linn, I am the them entangled in some of their yars or pipe frauds. only surviving member of the special committee of the Senate which has pressed upon that body, for so many years, the immed ate occupation of the whole ory of Oregon. There upon the shores of the distant Pacific, if my vote can accomplish it, shall be lanted the banner of the Union; and, with my consent, wer shall be surrendered a single point of its coast, in atom of its soil, or a drop of all its waters. But

while I am against the surrender of any portion of Oregon, I am also against the resurrender of the territory of Texas; for disguise it as we may, it is a case of resurrender, when it once was all our own and now again is ours, by the free consent of those to

promise Candidate."

whom it pelongs, already given, and waiting only the the distant. or too inaccessible, or too exten- of the Gazette. The fact is, we treated Mr. Clay great dullaces which prevails. an occupancy. Let the friends of Oregon, reflect also, that Texas, at the head of the Arkansas, is contiguous to Oregon, and within twenty miles the mass which commands the entrance through all has territory, and the occupation of which pass by a by them, to improve the Deacon's manners.

foreign power, would separate the people and Terri-tory of Oregon from the rest of the Union, and leave them an easy prey to the army of an invader. truth. Texas is nearly as indispensable for the safe and permanent occupation of Oregon, as it is for the security of New Orleans and the Gulf
