ANOTHER BEAUTIFUL EXPOSE The impeachment of Julige Elliott of New Orlean that developed some actounding facts that reli well for the political morality of the wederal Clay Whigs. It seems to be brief, that the Clay Clay of New Orients suployed a Mr. Guienne to secure certain acturalise tion papers, and caused twenty-four persons to go for-ward and illegally obtain from Judge Elffort their natu-valization certificates, the Cleb: paying the expense of be same. This Mr. G. is now the witness, before the righ Court and he details the circumstances. These twenty-four men were all permitted to vote the whig rickets in July and September last; but it being uscertained that they have changed their politics, and are resolved to vote for the Democracy, the very men who sabled then to gettheir certificates of naturalization For their own purposes, are the first to step forward, ery out against the france, cause the furposchment of reserr own purposes, and cause the imposedment of the attantion of his customers and the public generally; yout against the fraud, cause the imposedment of the attantion of his customers and the public generally; who wish to supply themselves with rows themselves perjured and illegal voters! Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tennessee. wrote to me to send him some, which I did Tennessee, write to me to send in monie, which I also and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend for A Carden, as Tennessee. If so, I would recommend IF. A Cardes, as a proper person to officiale for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Taxwell, East Tennessee. I have no doubt hut if you had agents in several counties in East Tennessee, a great deal of medicine would be said. cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like

to hear from you whether you would like an ugent at Biuntville, Sullivan County, East Tennessee; I can get some of the merchants to set for you us I live near there. Yours respectfully, ABRAHAM M'CLELLAN, of Tennessee. For sale Wholess le and Retail, by
