COINAGE OF THE UNITED STREET *The manual of gold and silver coin of all insticus. by J R Eckfeldt and W E Dubois, assayers of the min of the United States, at Philadelphia, contains much of the United States, at Philadelphin, contains much, valuable information relative to the comage of this

The first money coined in this country, was coine MERCHANT TAILOR, Massaobusetts in 1652. The law enscred for that purpose provided for the coining of shillings, sixpen-cent and threepences, to be of the fineness of sterling silver, and by a reduction of weight, to be fixed ponce TWO DOORS ABOVE VIRGIN ALLEY. HE subscriber has just returned from the Easter in the shifting, of less value that the English covue, The Massachusetts mint met with much opposition cities, where he has purchased the most magnifrom the British crown, but continued in existence more than thirty years, and issued a considerable ficent assortment CHOICE AND FASHIONABLE GOODS amountrof coin. These coins are now extremely scarde.

amounged cond. These condense are now extremoly scarce, *Lot of cred inst tag City!* The intrinsic value of the shilling is 163 cents. The which he is now receiving, and to which an interaction of the cutomore and the public generally the common designation of the "pine tree contage." who wish to supply themselves with The next mint established was by Maryland, in GOOD, SUBSTANTIAL, AND FASHIONABLE. The next must estudie of coins. 1002, issuing silver and copper coins. The next mult estication was by Maryland, in ROOD, SUBSTANTIAL, AND ESSITIONAPLE 1602, issuing silver and copper coins. These were the only issue of silver coin previous to the independence of the States. Various pieces of copper coin, however, were struck at different periods; as in 1604 the hulf penny of the Carolinas, a twoppenny A GREATER VARIETY

copper coin, however, were struck at different periods; ns in 1604 the hulf penny of the Carolinas, a twoppenny piece and a penny in 1723, another penny in 1733, and a helfpenny tor Virginia in 1773, As the population and trade of the colonics increase. The following is a list of a part of this assortment which
