The blood curdied in his veins, his limbs hung powerders, not a muscle would do its office; he was intensible to every sound but one, the slow measured click—click—of the machinery, which would ure the sharp sword-blade second by second and line by line. through his shrinking neck. Anon he partially revived, and tried to share larm to those below. It was in vain, the time for that had gone by, the pressure upon his throat was too great to allow him to use his voice, his face flashed, and Click click which went the much mary, which the property of the street that cut the skin, and the hot blood sputtered forth.

18 parc spare the speed, and beat the wall with Time was made for slaves and we be fiftemen! The baron's features became awfully convulsed: his eyer appeared starting from their suckets, the tongue Was protruded, and plood, and foam gurgled into his at. Click-click-click-went the mechanism; through skin, and lead, and savering perce, and tem, slowly and surely pencirated the instrument of Yild baron's dreadful death. der the hours take their course, do thou take thine. Rid the astrologor.

Strong and terrific convolsions shock the baron's throe, one gurgling sound it could not be called a groun-low, but swful to, hear, and the beron heard no So perish those who mock the stars! said the as frologier. The headsman is ready, and thy time is almost out! Young Rudolph for it was howho was addressed, three his wandering and blood-shot era on the spank-er as living his understood him too. is at hand, repeated the man at arms 'and, therefore prepare! another, the baroa looketh down from the dial of the clock!'

They were far too distant from the main personage four story to observe the tragedy which was enacted in respect to him, but they could see his features in ergo a change;

Ho laugheth! said one of the gazers.

'Certainly it is a thing to laugh at,' said the Abhorou.

'He, ha! so young and so comely, and so, soon o die.

Archange from yesterday. In, ha! from the to die. Archinge kom yesterday—ha, hai from the hands of a thir maiden to a hard block, a sharp axo, and a clean streke!

Brutal as vere the bystanders, they shrunk from the wretch that spoker served the effects of his speech thome, preparel, and he grasped Redolph with one hand, and poised the eyent, when anddealy the astrologer broke through the the 15th Feb. preceding. It was in repty to the arguments of Mr Clay, and where who should hold? said the headsman.

The burson ordered me to strike unless be taid his head at the prisoper's feet?

The it is don't said the armologer.

Where I is don't said the armologer.

The first armologer should have been a solution of the said the armologer.

The first said the armologer.

The first said the armologer. Bounding from the spot where it fell, it rolled to the feet of the kneeling prisoner; and all knew by the bloody and distorted features that it was the A mirucle-a miracle, shouted the bystunders Rudolph spring to his feet and tore the bandage trom his eyes.
Hail to Rudoir b Wolfstein, rightful lord of Schwag gecharger!' exclaimed the astrologers and bending o

one kneethy crewd responded. Hail to Rudolph Wolfstein rightfallord of Schwag-He is yet alive, I amyet in time? shricked Christine, bursting through the crowd, and clasping Rudolph in her arms. Property and a series aloft, and said "Thus are fulfilled the decrees of our stars!" then turning away hostole from the eastle into the forest who erw him go, ever sow him again. Shall we pursue our this further ! Assuredly not Ha whitees fancy the rest requires historiand he who communic descriptly not that he should be told aught LATER FROM EUROPE.

HENRY CLAY.-Many of the extracts which we have given from Mr CLAY's speeches and letters have star where artempting to force him into the Prosidentia chair. We have proven by the editor of the Garcile that he is a mason, a staveholder and a duelist opposed to the tariff, and an immoral and profune man, His old triends find it impossible to defend him suc cessfully against the many sine that were laid to his charge by the Gazette, and now instead of justifying or explaining, they have commenced denving some o the most beings of his offences

The following is a sentiment that was uttered by Mi Clay during the discussion of the Missouri guestion, and it will indicate what kind of feeling he entertains towards the workingmen of the country: "If gentlomen will not allow us to have black slave they must be us have white ones, for we CARROTLEUT bove that, they gave our rive-wood, and black our shoes, AND HAVE (roars of laughter).

OUR WIVES AND DAUGHTERS WORK IN

This has been going the rounds silently, and if the nade daily, respecting the course of their candidate. But this they would not do. The War Club of this city has taken up the marter, and infavery abusive ar ticle, pronounces it a slanderous fullschood. The editor says he has searched Niles' Register of Feb 15, 1319, and he finds no mention made of the slander.-If he is very anxious to uscertain the truth, we would refer him to the Nat. Intelligencer of July 1, 1820. where he will find the following in a speech delivered by Mr. Rich of Vermont:

"When this subject was under consideration at the last seesilm, the homosuble Speaker (Clay) remarked to the following effect: of following effects.

If gentlemen will not allow us to have brook slaves, the payest let us have white over; for we CAN NOT CUI DUE FIRE WOOD AND BLACK OUR SHORE, AND. HAVE OUR WIVES AND DAUGHTERS WORK IN THE KITCHEN,"

Will this says fy the War Club that the phragraph quoted is not a slander of the "loco foco vress." but a board hight axe, with the other.

Christine! Christine! I die. Messing thee! mure genome sentiment from Mr Chay! If it will not, here mused poor Rudolphs. is another item of cognidorating testimony, copied His nick was no the block, the axe glittered aloft. from the Rational Intelligencer of March 20, 1819. the crowd deld their beenth in unticrpation of the It is an extract from a speech of John W. Taylor, on the 15th Feb. preceding. It was in reply to the argu-

debased in public estimation: It is considered low and unfit for freemen. I cannot better illustrate this truth than by referring to a times of the honorabl gentleman from Kentucky (Mr.Clay) I have of eroed by no vulgar prejudices; yet with what abhor-rence did he speak of the performance by our wires ad daughters of these domestic offices which he was leased to call service! What comparison did he the between the 'black staves' of Kentucky and the white slaves of the north; and how incantly life he strike the balance in tayor of the former! If society into an an expressions, even in the order of descriptions and expressions, even in the order of descriptions and the honorable gentleman, what ideas do you suppose are entertained of laboring men by the ma-

This Mr Tayton was anbaconoutly elected Spenker by the coalition of the Clay and Adams votes, and of change in cutton. Provisions are firm and looking up. course the truth of his festimony will not be questioned Business in the manufacturing districts, is, on the whole, fair. Mobey is abundant, and the amount of

car labor. Here is Mr Clay's deliberately expressed opinion, that those who perform honest labor, and that the wives and daughters of white citizens who perform the labor of their own household, are no better than the black slaves of Kentucky. Such are the sentiments of the man that the leaders of the bank party are now
