The Daily Morning Post

THOMAS PHILLIPS, EDITOR.

TITTSBURGH, THURSDAY, APRIL 25, 1844. H. A. MUHLENBERG.

THE "SUPERIOR CHAMPAIGRE" PARTY.—The lowing appouncement in the Baltimore American, the pest 9 s'chalt, the Banday swining last. ings which the bank whige have for every thing foreign; "SUPERIOR CHEMPAIGE .- Among the preparation ing National Conven made for the approaching response of the Fountain Horesigns street, have unported some vary conson campring a feeperially for the occasion. This wine is from one of the first mercentile houses at Rheims, and each bottle is labelled with a likeness of Mr Clay. As this is a very superior article, we notice it that those

desire it may know where it can be procured." The palates of the clite would revolt at the taste of hard cider, and to please the fancy of the exquisites an importation of fereign refinement is necessary. We are informed that un importation of angars, "especially for the occasion," has been made, which will cost the importer about eighty dollars a thousand. They are said to be "a very superior article," and have a nest little wrapper of gold leaf at the twisted and, to proect the delicate lip from contact with the wied.

mode in England, the Henry Clay writing paper made fairs of the state, in the critical position in which she in England, with an improsa of her white majorty's likeness on the corner of the sheet—after the royal manner—and to cap the climax, we would not be surprised if the "superior charaptaigne party" would have an importation of cards, with a full length likeness of the great Kentucky brag player on all the court cards; or great Kentucky brag player on all the court cards; or if they consider it more appropriate, let the envelope if they consider it more appropriate, let the envelope if they consider it more appropriate, let the envelope as one who possesses if they consider it more appropriate, let the envelope and the two-thirds of the probably in a state of Delicium Tremons. He lingered the lingered of the probably in a state of Delicium Tremons. He lingered the lingered of the probably in a state of Delicium Tremons. He lingered the lingered of the ling on the pack have on a sketch of a card party, with him and to add to the effect he might have a pair of duelling pistohs slightly protruding from under his waistand upon what occasion did he exhibit the talents and upon what occasion did he exhibit the talents and upon what occasion did he say his friends, "his claimed for him?" Oh," but say his friends, "his claimed for him?" Oh," but say his friends, "his claimed for him?" The house of duelts have the delegation from an allowed the particular to the late.

We have no doubt but the delegation from our place will do ample justice to the foreign delicacies, and when they return astonish the simple natives of the disting the duties devolving upon the Executive of a trict of the beautiful manner in which English liberallivicontributed to the festivities of a Clay convention. Is it possible that these men will dure to open their mouths beceasive about protecting home industry: It who are equally, and perhaps more deserving of the Will they have the impodence to say that they are in favor of such a policy, when they are openly making might with the same propriety, be put forth as a canpreparations to travel near three hundred miles for the sooth, a man may have proved himself brave and skilpurpose of partaking of the luxuries furnished by En-

ation to the generous conduct of President Tyler lice again to a great Commonwealth. It is very seldom de our city, strings out a few paragraphs of unit that we find the qualities of a skilful warrior and entowards our city, strings out a few paragraphs of uncompositions of the warm of the warm of the warm of great vulgarity that controls that elegant and influential sheet. He dare not touch the charge of fluential sheet. He dare not touch the charge of Clay's vile abuse of our city, nor dure his leading friends used all their effects to defeat the his leading friends used all their effects to defeat the truth, he is not boldenough pulsus as he is to violute the truth, he is not boldenough to meet these matters, they are too well known to the consensation of public affairs, and who will to meet these matters, they are too well known to the towards and the true condition of public affairs, and who will to mean and to fund wanting—to find the true condition of public affairs, and who will to mean and to fund wanting—to find the true condition of public affairs, and who will to mean and to fund wanting—to find the true condition of public affairs, and who will the true condition of public affairs, and who will the true condition of public affairs, and who will the true condition of public affairs, and who will the true condition of public affairs, and who will the means a day before they find his cylind; the first distribution of the fund that is giptened to make some purchases. In the mass of the mass of the mass of the wild, wicked, attention of the fler of New Orleans. In the course of her walk, she entered to make some purchases. In the death struggle. In the course of her walk, she entered the course of her walk, she entered the course of her walk, she entered to make some purchases. In the death struggle. In the course of her walk, she entered to make some purchases. In the death struggle. In the course of her walk, she entered to make some purchases. In the death struggle. In the death struggle.

In the name of ristard, part of the death struggle. In the death struggle. In the death struggle. In the death struggle. In t public, and if he were to attempt a cental, his own filed would rebuke his falsehood. Being conscious the country knows what estimate to thatevery citizen in the county knows what estimate to place upon Biddle's ruffianly epithets, we can let them pass unnoticed, as it is satisfaction enough to make him yield a tacit admission of the treth of all the

charges we have made against Clay. The announcement of the large quantity of Champaigne imperted for the use of the Clay Convention that is to meet at Baltimore on the 2d of May, Mr. ERRETT: hos startled the Wushingtonians, and made them tremblefor the permanency of the temperance reformation.

They dread that it may be the commencement of a sendary of October—some of the bar being opposed to it, and some in favor of it. In order to prevent any misson of dissipation and drunken enthusiasm that will and some in favor of it. collipse the bacchanalian orgics of 1840, and lead apprehension on the subject, will you please to state that the District Court has been in session for seven again into paths of intemperance thousands of those

vice that had ensuared thom. Degardless as we believe most whig politicians to ing of five hundred cases, and what is termed the Jung of five hundred cases, and what is termed the Jung was connot credit the supposition that they would again spread the moral positione of intemperance over the spread the moral positione of intemperance over the spread the moral pestilence of intemperance ever the apreau the moral postnonce of interpretation of the drunk- hundred and five cases, the first-five of which are hundred and five cases, the first-five of which are enexcitement. We cannot suppose that they would daliberately resolve to revive the disgusting scenes that which con gave them such unenviable notoriety in 1840, and remmens of former lists. again sink in drunken debauchery the thousands that have been snatched from misery and disgrace, and made useful members of society. We are reluctant to befers that the importation of intexicating liquor for trials. No July term is held, it being inconvenient to lieve such things of our opponents, but we must con-

indefatigable Principal, with the eleventh annual Report of the Managers of the Institution. The Report is a very interesting document, and the

information it gives of the success with which the effurts of the Institution have been crowned, will be gratitying to all who have a feeling of commiscention for the affortunities objects of its care. The excursion made last su maior under the management of Mr. Tower, is described as having been highly advantageous to the pupils, and the Principal expresses his gratitude in the warmest terms for the kind reception which he, and those under his care, received in every quarter

where they traveled. There are now sixty-four pupils in the Institution, all of whom, basides receiving mental instruction, are taught some useful trade or employment by which they can contribute to their support, and in which they can THE KITCHEN." seek consolation and relief from their gloomy affletion. The Report shows that the Institution is in a very prosperous condition and that a very hand sums revenue has been realized from the sale of the articles manu-

The facts set down in the Report cannot fail to make new friends for the Institution, and to increase the efforts of the phi anthropic in its figure.

ERETHQUARE-On Munday evening last, says the Portsmouth, Journal, that place was visited, for the lightings was very vivid. but did not approach near the vicisity. When the shawer was at its height, about queror past 9 slock, a shock was fall which occasioned a slight trembling of buildings; the clattering of winch and then passed off in a rambling sound; unlike the thunder which proceeded and followed it. We have have a shade arrival of the Emigration of the windings the safe arrival of the Emigration of the windings the safe arrival of the Emigration of the windings the safe arrival of the Emigration of the windings the intelligence former ting Company of the expedition will be proceeded as the process of the safe arrival of the Emigration of the windings and confirming the intelligence former ting Company of the expedition will be proceeded as the process of the company of United States soldiers will be the thunder which proceeded and followed it. We have been always and confirming the intelligence former ting Company of the expedition will be published in St Louisnext July. Oregon parties are now the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the process of the company of United States soldiers will be the thought the company of United States soldiers will be the thought the company of the company of the theorem the company of first time this season, with a thunder shower. The have heaved much louder, but never knew the most violent and aconcussion. It was most violent and aconcussion. It was noticed in all the same at Newburyport it was felt as violently at the same time, but coming as it did, in the midst of a thander time, but coming as it did, in the midst of a thander shower, it was at that moment generally regarded as shower, it was at that moment generally regarded as lars.

WIN, one of the Associate radges of the Superior making in all 1233. mer, and for many years a souldern of the sity, and the Sounderstella Con a furner representative in Congress from this district, of the state in being at the staying freezes It where he distinguished himself by his zealous advocacy of the Tariff, and those great measures of national living cargo was stored away mass small that young policy which have so largely contributed to the prostrained malines of the assester. He died at 4 could not croop in on their a

ed in like morms 100 GER MARKLE'S COMPETERCE. The Wor Cab. and other coon papers have charged us with slanding on,we ob ing Gen. Markle, when we said that he was totally scondparent to discharge the duties of Governor of Peamsylvania, The heat answer we can make this charge, is by copying the following article from the Clinton County Whig, as realists and violent a com journal as can be found in the state. It will be seen that it not only sustains us in that declaration, but goes much farther than we have ever done in clared that if he cannot have black slaves he must be ridiculing his pretensions. We honestly believe that one-half the while party enterthin precidely the same binushs forward for the first office in the state, as these enthusinem excited, in behalf of a person so "suddenly and sorexpectedly thrust before the people," and so

> bounded popularity, when in fact two-thirds of the people did not know that there was such a man in

and signalized himself by killing a few Indians! Suppose he did, daes that qualify him for discharge Admitting that his military capacity was a brilliant one that he did fight and bleed in the defence of his

ful as a warrior, does it imply that he is also a sou purpose of partaking of the luxuries turnished by Eura gland to regule the Clay party during the campaign.

The American, feeling that it could not centrover any of the facts set forth in our article yesterday, in relation to the generous conduct of President Tyler, in relation to the generous conduct of President Tyler.

to meet these matters, they are too well known to the public, and if he were to attempt a denial, his own

DISTRICT COURT-We have been requested to may here remark that no judicial tribunal in the country applies itself more industriously to business than the District Court of our county, nor does any render more satisfaction to all parties that come before it:

Dear Sir. -- I observe in your paper of this morning that it was stated that the District Court, Judge Suaagain into paths of intemperance thousands of those consecutive months, and the gentlemen of the bar who have been happily reclaimed from the toils of the have been engaged in their assistance duties for right vice that had enmared tham.

Regardless as we believe most whig politicians to

> returnable to the January term, 1844, the next fifty of causes beengift to the term of April, 1844. (the term amenced yesterday;) and the balance The Court sits during this summer, every Satu when arguments, motions, cases in equity. &c., have to be disposed of. Besides this, the court disposes of motions atchambers, so that six weeks of the vacati s usually occupied in business disconnected with jury

their first Convention, and the boastful manner in which it is spoken of by their leading journals, that their conduct in the approaching campaign will give a severe shock to the temperance reform.

INSTITUTION FOR THE INSTRUCTION OF THE BLIND.

We have been 'avored by Mr. D. B Tower, the indefitigable Principal, with the eleventh annual Research of the property o enabled by their dilligence and assisting this ago, see, or nearly all, not originating four months ago.

Respectfully years,

CHAS. SHALER.

PITTSBURGH, April 23, 1844. The American assumes that the admission of Texas will have the effect of adding several new slave us, are here found anticipated by some centuries. states to the Union, and takes the occasion for denounce one gun there are twenty barrels, which are turned astates to the Union, and takes the occasion for denounce ing the friends of annexation as being in favor of inting the friends of annexation as being in favor of inwhich remain fixed on top, fire off each in succession. creasing slavery, but he has not one word of condemna-tion, explanation or apology for the following senti-tion, explanation or apology for the following sentimentioutered by Henry Clay in one of his speeches the barrel. This curious anticipation of both the me
