THE TRUE WAY TO RECOVER HEALTH.

An individual only wishes to know the right way to pursue it; and there are none, were it surely made known how Life might be prolonged and Health recovered, who would not doubt the plan. Evidence is required that the right way is discovered This is what those suffering from sickness want to be satisfied about. For who is so foolish as not to enjoy all the health that his body is capable of? Who is there that would not live when his experience can so much benefit himself and family! It is a melancholy fact that a very large proportion of the most useful members of society die between the ages of thirty and forty. How many widows and helpless orphans have been the consequence of mandkind not having in their

own power the means of restoring health when lest. Now all these dangers and difficulties can be preven-Now at these dangers and dincumes can be prevented and the long and certain sickness, and by assisting nature in the outset, with a good dose of Brandreth's Pills. IMPORTANT FACTS. R. LEIDY'S Sarsaparilla Blood Pills are application ble in all cases, whether for Purgatives or Pu rification, They possess all the boasted virtues of other pills, and are additionally efficacious, containing Sarsaparilla in their composition, which is not contained in any other pills in existence. They are also diffemat from other pills in composition, being purely vegetable, and can be employed at all times, without any danger, and requiring no restraint from occupation wusual course of living.

Notwithstanding Dr. Leidy never pretended his Blood Pills would cure all diseases, yet it is not saying too much of them, from the innumerable cures performby them in every variety and form of disease (certificates of many of which have been published from persons of all denominations, physicians, clergymen, and others) that they seem to be almost universal their effect; and persons using them for whatever sickness or disease, may rest assured that they will be found more efficacious than any other pills in existence.

From the known reputation of Dr. Leidy's Blood
Pill, it is necessary to remind the public where they can at all times procure the genuine, as it is attempted to impose other pills, called the Blood Pills upon the public on the reputation of Dr. Leidy's.
