The Daily Morning Post.

PITTSBURGH, PA.

SATURDAY MORNING, MAY 4, 1844.

SOUTHERN GARDEN.—We would refer the public to the advertisement of Mrs. M'DONALD, announcing the opening of this celebrated establishment. During the last season the grounds and shrubbery were much improved, and the arrangements are now more perfect than they have ever been heretofore. The convenience of the house to the city, the easy route and the different entertainment certain to be given by the present proprietor, cannot fail to make the Shakespeare Garden a popular resort for all who wish to escape for a few hours from the heat and smoke of the city.

On our first page will be found the proceedings of a public meeting held in the DISMAL SWAMP some time since, which is worthy the attention of the Clay Club.

TRAIN MEETING.—It will be seen by a notice published in another column, that the friends of President TYLER will hold a public meeting this evening, at the Washington Coffee House. The call is signed by upwards of one hundred and fifty persons, among whom will be found some of our most substantial citizens.

FIRE.—Last night about half past 10 o'clock a fire broke out in the building used as a depository for waste cotton by the Hope Cotton Factory, Allegheny, which, with its contents, was entirely consumed. It is supposed the fire originated by spontaneous combustion occasioned by the damp weather. The loss is considerable.

☞ The alarm of fire last night at 9 o'clock was false.

☞ We are glad to learn that the Uncle Sam has been rigged up again and did efficient service at the fire last night.

IRON CITY HOTEL,

FIFTH STREET,

Next door to the Exchange Bank, Pittsburgh, Pa.

Jacob Bostap, Proprietor,

RESPECTFULLY informs his friends and the public generally that he has taken this well known establishment, and has had it thoroughly repaired in all its departments; and it is now fitted up in a style inferior to none in the city. Epicures, and all fond of good eating, will find his larder bounteously supplied with all the necessaries and luxuries the market can afford. It will be the aim and pride of the proprietor to keep his eating department well stored, and in a manner suited to the taste of the most fastidious.

To the lovers of good liquors, too, he can without flattery to himself, offer as good and well furnished a BAR as is kept in the western country. The choicest wines and best of stronger liquors will always be kept in store, for the accommodation of those who may favor him with a call.

His facilities for accommodating the traveling public generally, will be found equal to any in the city. The Stable is airy and capacious, and the best attention will be given to the horses of those putting up at his house.

H DEVINE,

} Proprietors,

RESPECTFULLY inform their friends and shippers generally, that they have changed the name of their Transportation Line, from the United States Portable Boat Line, to the American Portable Boat Line.

This line is composed of twenty-five new Four Section Portable Boats, one of which will depart daily, from Pittsburgh, Philadelphia and Baltimore.

The superiority and advantages of the Portable Boat over every other mode of transportation are too well known to shippers generally to require comment; suffice it to say, that the detention, loss, separation and damage to Goods, invariably attending three transhipments between Pittsburgh and Philadelphia, are by the Portable Boats most effectually removed.

To give undoubted security to owners and shippers, all goods and produce shipped by this line will be insured in a responsible office in Philadelphia, without any additional charge to the owners.

Merchandize shipped by this line in any of the eastern cities, and consigned to H Devine & Co, will be forwarded immediately on arrival at Pittsburgh to any part of the west, free of commissions.

H. Devine will receive produce consigned to him, pay steamboat freight and charges, and forward the same to any of the eastern cities, and charge no commissions for storage, advancing or forwarding. Any communications or goods directed to the care of the undersigned Agents will be promptly attended to.

UNITED STATES

PORTABLE BOAT LINE

For the transportation of Merchandize to and from

PITTSBURGH, BALTIMORE, PHILADELPHIA, NEW YORK AND BOSTON.

THE success this line has met with, since it was first established on the "Individual Enterprise" system, has induced the proprietors to increase the number of Boats during the winter to twenty-five, one of which will leave Pittsburgh, Philadelphia and Baltimore every day (except Sundays) during the season, and make the trip through in six days.

The superiority and advantages of the Portable Boat System over every other mode of transportation (when canals intersect with rail roads) are too well known to shippers by this route generally to require any comment.

Shippers can rely on having their produce, merchandize, or goods of any kind that may be consigned to the Agents of this Line, forwarded with dispatch and at the very lowest rate of freight charged by other Lines, without any additional charge made for receiving or advancing charges, &c.

All communications to the following Agents will be promptly attended to:
