The Waily Morning Post

THOMAS PHINLIPS, EDITOR: PITTSBURGH, FRIDAY, MAY 10, 1844.

FOR GOVERNOR,

Wissers and Cay—Daniel Webster has a wisser o'clock, the Hibernia and Franklia Engine good with the Webster has a sequence at a meeting in Bouton, and when the whige proposed tarrying out the Hibernia was been from the process of the sequence of the Hibernia was been compared to the Franklin and golfw, and wresuppose his mind is easy. Because the was a meeting in the planters, toose of as a poster. The bully of the Franklin and golfw, and postery angressed by Mr. City, Webster was in Mr. Typer's abilities lessch, partly from moreonary feelings and participate at least time the whole of the statement of the webster was a mercing of the country of the statement of the statement of the statement of the country of the statement

Smith and let Levin. The raise coming as a requirement to be an "obsolete idea."

We have any the slightest doubt but there is a regular barraise in the market in the mar probably to therive the same advantage from the bargain that Clay did from his corrupt coalition with Addings in 1324, and to be otherwise remunerated for

IF Prividence would permit such a calamity to befall bludgeons and stones; many of these were accompanial formers as Privilence would permit such a calamity to befall bludgeons and stones; many of these were accompanial formers as Privilence were accompanial formers and privilence were accompanial formers as Privilence were accompanial formers and privilence were accompanial for the privilence were accompanial formers and privilence were accompanial formers as a privilence were accompanial formers and privilence were accompanial formers as a privilence were accompanial formers and privilence were accompani the sountry as to place the government in the hands of ed by women who urged them on and directed them two such unprincipled and corrupt men as Clay and where to fire. Those in the market house maintained their ground and held aloft the flag—while the square between Cadwallader street and the Germantown round of their ground and held aloft the flag—while the square between Cadwallader street and the Germantown round in Master street was filled with the combatants. Some one and the British predilections of the other, joined to of them here ran into nouses, but they were watched, the inscriptions corruption of both, would place the and the infuriated mub fell to work and partially deliberties so dearly bought in fearful jeopardy.

country are held in the most contemptuous estimation which a man run was attacked, its doors were broken upon the batter, and they have never the batter and broke the furniture any pains to conceal their scora for the industrithat the regards them in the same light that he does been killed. A young man rewere reperted to have been killed. A young man residing in St John street, near Beaver; named George the wives and daughters of white workingmen than for the alayes that work in his kitchen. Mr. Webster's was killed on the spot. certainly. A young man named Temper was shot in the hip, and was short are the same. His motto in the Senate wounded in so shooting a manner that he cannot possibly survive.

"Among the buildings attacked was the Hibernia Hose Heuse, the lights of this were all knocked out and the premises otherwise damaged. We believe that the flag was protected by those who had understaken the flag was protected by those who had understaken the flag was protected by those who had understaken of twe know not. The Native American party gradually dispersed, and up to a late hour in the evening comparative order prevailed."

thop his wood and work in his kitchen. Electe never were two men who held the mass of the people in greater contempt than HERRY CLAY DARIEL WEBSTER, and we predict that should ate to violate the privileges the people hold elect in veneration, if by so doing they can subserve their own ambitious schemes, or advance the corrupt designs of their party.

Testenday of the death of Mr Brinckethoff of Ohio, who, indisposition, had been prevented from taking his seet in the present Congress."

Foregon News.—From the foreign news publish steamship Hibernia, which arrived at Boston yester-Fore for News.—From the foreign news published in our paper this morning, it will be seen that Eng.—O'Connell has not been sontened, but him and his Q'Connell has not been sontessed, but him and his lock it against me. (Inaughter and cheers.) I say the fregards the annexation of Texas to this country co-conspirators are struggling for a new trial, with I shall go to prison: I do not say I will go because it what success, we shall be better able to state by the positive favorable than otherwise to her polyment of the country what success, we shall be better able to state by the polyment of the country will be against any will be tey and interest inasmuch as it will strengthen the free trade dectrine, and relieve her from the operainteresting in a political, commercial and financial ways of avoiding the prison—the first is by making subpoint of view. The fall in cotton is from to 4d per mission to our enemies, a course which you would not tiens of our present Tariff. Doubtfal.

"The Government evidently desires to postpone the britence of D'Connell to the latest day and until the ense excitement shall have died away.

young republic. An office of a similar description was made in the very difficult recommendation of the color of the office of the United States in expensive, embarrase in the rest of the office of the United States in expensive, embarrase in the rest of the office of

the convicted Repealers with a four-day role, to appear for judgment, which is according to usual practice; preserve peace and tracquility, whatever may happen and they, on the other hand, have served the Crown upon the approaching time of sentence being passed with a two-day rule of notice, to nowe for a new trial: the latter would expire on Wednesday, but as the been so unjustly convicted. In reference to the circles it in error on that day, it would not come until the mast head of Steamer, conveying persons be entitled to move for independent but whether he will from the Rangell Bunsuer, he described that act in very the convicted Repealers with a four-day rule, to appear dress, which he had prepared calling on the people to of water color drawing having studied in the princi-Thursing, and on Friday the Attorney General would be entitled to move for judgment; but whether he will do so when there is a ponding motion for a new trial, remains to be seen. The grounds on which a new trial are to be prayed for are similar to the points brought forward on the trial, viz: the omission of a part of the jury roll—the missourer of Mr. John Jason Right by—the carrying of the trial beyond Hilary Term, and what is most strongly useful she middirection of the

of 800 persons were present, and Mr Smith O'Brien, M. P. from Limerick, presided. The speech of Mr. M. P. from Limerick, presided. The speech of Mr. O'Connell was the principal event of the evening, from its containing a variety of allusions to the semanos appeted to be passed upon him. Speaking of the epicendour of the domonstration, he said.

No man who ever stood upon the semanos was honored as I have been honored. The the threshold of a prison; but I would not committee the prison, with the compliment, for the threshold of a prison; but I would not committee the prison, with the compliment, for the threshold of a prison but I would not committee the prison, with the compliment, for the threshold of a prison but I would not committee the prison.

committed? (Lond crice of None. 12 declare o Heaven I do not know. I believo Chiet Justice Pennefather does not know, nor any I ambe that the angucious jury knew what crime they convicted me on. I repeat I am not hware of the crime, but I am mire of this, that if it was to be committed over again, I am the hoy for it. (Great Cheering.) I have done nothing of which I am ashamed before man, or tremble for

I am not shrinking from the dungeon. (Cheers,) I do not specific a whining or priful manner but I do trust that my last moments will be enlivened by the re-flection that L should have fived longer had L ant loved Ireland so intensely. (Loud chaers.)
Alinding to the incertainty of his being imprisoned

It would be an idle thing for any man to supp that Lam not to go to prison. (Cries of the.) Yes, for as sure as I see you here, I shall have to go there. (Renewed cries of 'no, and chears.) What folly you talk! sure you have not the key of the gaol door to suppose that an north go there ! There wer three old lawyer, is that we have the clearest possible case France is thinking of abolishing slavery in her cololitical circles.

Ireland was in a very excited state, and our next for setting aside the judgment. (Hear and cheers.)

The third way would be by the government abandoning account from Great Britain must be of the most intering and freeing the slaves. the prosecution, and holding usunder a recognizance to come up for judgment at an indefinite period. (Hear, hear.) But they will not do that. Take it for for granted, the santonce will be cavried into ex-

ecution. Take this also with you, they may imprison me, but they will not vex ma-they may confine my person, and they will do souther they will not deprive me of a single pleasurable sensaties. (Cheers)-1 I have not the enjoyment and exercise of my native mountains, thought shall not be cheered by the merry sound of my bengles, Jovill dream a day dream them, and will turn my mind to pursuits that will be sure to yield delight and instruction. (Hear and executive there is no address in common that it man working for forty years cannot have in contemplation that and my astumblement is that they did not impraning ne (flear.) for these circumstances, he called upon them in wer der these circumstances, he called upon them invery energetic language never to come proceeding the demand for repeal, and in no deling, to be these able and orderly for without temperate conduct, it would have be cauried. Aleas two pages he called no the first the should make prior to the language of the known General. He show copied to the language of the known General.
