AN TOTAL AND WEATTH, MOGGAR In the partie charact of Bush and the state of the memory of James Smith, who is designed designers. The earser of this man has been a very extraordinary one, and it shows how wealth is managed by strict account. a very extraordinary one, and usnows now weath a massed by strict economy. He was a beggar of no usual description, and though advanced in years was one of the about active of his class. His continued round of camployment was through 210 parishes, and his industry was well rewarded. He left an immense held of monatty the chief part for charitable purpodeal of property, the chief part for charitable purposes. None out of the 210 parishes have been forgotten where he was kindly treated. To almost all he has left funds but has carefully excluded from his will all perochial authorities in whose district he fancied he had been neglected. To the parish of Rother hithe, which was always a favorece reating place of

loaves of the value of 6d cach are distributed among the poor old people of the parish, who thus profit by a beggar's wealth and gratitude, for no doubt many of the seciplests of his hounty have often given their mite to the richescentife mendicant.—English paper.
